François Rémillard, Brian Merrett

L'architecture De Montreal:

L'architecture de Montréal Raymonde Gauthier, Mia, Pierre-Richard Bisson, Klaus, Stéphan Poulin, Jacques E. Folch-Ribas, 1990 Magnifique album photographique dont les quelque 243 images illustrent la richesse architecturale de notre patrimoine Chaque photo est accompagnée d'une notice qui rappelle l'histoire du bâtiment et son style architectural Qualité remarquable des photographies et de la mise en pages *Art Et Architecture Au Canada* Loren Ruth Lerner, Mary F. Williamson, 1991-01-01 Identifies and summarizes thousands of books article exhibition catalogues government publications and theses published in many countries and in several languages from the early nineteenth century to 1981

L'architecture de Montréal François Rémillard, Brian Merrett, 1990 Illustrations de 180 bâtiments expliquant une trentaine de styles architecturaux qui couvrent 350 ans d'histoire Peut servir autant aux Montréalais pour connaître leur ville qu'aux touristes intéressés par l'architecture **Montréal en évolution** Jean-Claude Marsan, 1974 Montreal

Architecture François Rémillard, Brian Merrett, 1990 **Architecture and Town Planning in Colonial North America** James D. Kornwolf, Georgiana Wallis Kornwolf, 2002 Incorporating more than 3 000 illustrations Kornwolf's work conveys the full range of the colonial encounter with the continent's geography from the high forms of architecture through formal landscape design and town planning From these pages emerge the fine arts of environmental design an understanding of the political and economic events that helped to determine settlement in North America an appreciation of the various architectural and landscape forms that the settlers created and an awareness of the diversity of the continent's geography and its peoples Considering the humblest buildings along with the mansions of the wealthy and powerful public buildings forts and churches Kornwolf captures the true dynamism and diversity of colonial communities their rivalries and frictions their outlooks and attitudes as they extended their hold on the land **Canadian Reference Sources** Mary E.

Bond, Martine M. Caron, 1996 This bibliography cites those Canadian and foreign reference sources that describe Canadian people institutions organizations publications art literature languages and history It lists books of a general nature as well as works in the disciplines of history and the humanities These large divisions are then broken down by subject genre type of document and province or territory Titles of national provincial territorial or regional interest are included in every subject area when available The contents of the book are indexed four ways by name title French subject and English subject And to facilitate browsing the major reference books those dealing with more than one subject or a large geographical region are also cross referenced Two entries have been created for each bilingual document in order to provide access and bibliographical descriptions in both of Canada's official languages Entries for unilingual works include citation in the language of the publication and a bilingual annotation The annotations are descriptive and provide information on the content arrangements and indexing of works the availability of non print formats previous editions and title changes and related works Canadian Reference Sources will be an invaluable reference tool for future scholars and researchers

Competing for Excellence in Architecture Jean-Pierre Chupin, 2017-10-01 A travel guide for those in search of architectural quality this book can be browsed in many ways Written in a clear and concise manner by about thirty authors it features a collection of editorials from the Canadian Competitions Catalogue CCC a large online digital archive open to the public since 2006 The editorials explore more than sixty Canadian architecture competitions held in the last seventy years Especially in recent years both public and private institutions have organized competitions across Canada producing hundreds of architectural urban planning and landscape design projects Together these proposals most of which remain unbuilt constitute a fantastic treasure in our tangible and intangible common heritage Given that competition organizers designers juries and critics never operate alone there is no doubt whatsoever that this book results from the collaboration of a myriad of people contributing to and competing for excellence in architecture Includes 497 illustrations and analytical tables

French Encounters with the American Counterculture, 1960-1980 Caroline Maniaque Benton, 2011 It is normally asserted that French architects looked to North America for technical lessons in the development of modern architecture in the 1960s but that the French cultural environment was generally hostile to American ideas This book includes interv
