**Rage Becomes Her** Soraya Chemaly, 2018-09-20 A conversation shifting book urging 21st century women to understand their anger embrace its power and use it as a tool for positive change How many women cry when angry because we've held it in for so long How many discover that anger turned inward is depression Soraya Chemaly's *Rage Becomes Her* will be good for women After all women have a lot to be angry about GLORIA STEINEM Women are angry and it isn't hard to figure out why We are underpaid overworked thwarted and diminished The assertive among us are labelled bitches while the expressive among us are considered shrill We are told to stand down when we have an opinion and to calm down when we are fired up And when we somehow manage to put one high heel battered foot in front of the other despite all of this we're asked if it would kill us to smile We are mad as hell and that's completely okay Because contrary to the endless barrage of self-help rhetoric about anger management and letting go the reality is that our rage is the most important resource we have as women a force for creation rather than destruction our sharpest tool against both personal and political oppression Anger is not what gets in our way it is our way All we need to do is own it This is a pitch perfect engaging and accessible credo written by one of today's most influential feminists Analysing female anger as it relates to topics like self-worth objectification pain care fear silence and denial Soraya illuminates how and why we repress our anger revealing the harm that this causes and helping us recognise the liberating power of owning our anger and marshalling it as a vital tool for positive change Just as Quiet brought about a new embrace of introversion *Rage Becomes Her* will bring about an embrace of feminine anger that will leave women feeling liberated inspired and connected to an entire universe of women who are no longer interested in making nice *Industrial Development Report* United Nations Publications, 2016-01-14 This report looks at how technology and innovation achieves inclusive and sustainable industrial development ISID Its main finding is that ISID is feasible and technology can simultaneously serve all three dimensions of sustainability including economic social and environmental Rapid inclusive and sustainable industrialization can happen more frequently provided that policymakers firmly steer the industrialization process with opportune policies and avoid past mistakes In some cases the spread of

technology has not materialized in concrete growth opportunities because of the lack of technological capabilities Innovation needs to be supported by interventions strengthening the process from invention to adoption as capabilities are developed and high tech manufacturing sectors are created seeing higher rates of sustainable growth     *Get Set, Go!* Thomas R.
