The International Law of Youth Rights Jorge Cardona, Giuseppe Porcaro, Jaakko Weuro, Giorgio Zecca, 2015-02-04 In 1996 William Angel launched a unique pioneering study tracing the origin growth and basic features of the international law of youth rights It consisted of both source documents and commentary on the historical trends to elaborate and codify international instruments and standards in this field as well as action taken by governmental intergovernmental and non governmental organizations to promote and protect youth rights It concluded with a call for a new international instrument and monitoring machinery to better promote and protect the rights of youth on a global basis The aim of the current revised updated and expanded edition of this ground breaking work is twofold First to preserve and update the landmark historical research undertaken by William Angel and present it to today s audience Second to introduce up to date analysis of the state of the International Law of Youth Rights and to provide an easy to use compilation of sources of law for researchers and practitioners active in this field This important collection will provide a roadmap for readers to finding the various sources of the International Law of Youth Rights and a reference point for the most relevant legal documents in force It aims to spark further legal political and sociological research in the academic field as well as support even stronger advocacy actions to further the rights of young people Two volume set International Environmental Governance Bharat H. Desai, 2014-05-15 International Environmental Governance Towards UNEPO offers a significant contribution to practitioners and scholars involved in international debates regarding environmental governance Clarifying the insufficiency of the 1972 UN General Assembly s model of a small UN Environment Programme in helping nations stem the accumulating degradation of the environment across the globe the work poses the remaining question how should international environmental governance be accomplished The volume is timely in its examination of the post Rio 20 period and furthermore addresses the vital issue of the evolution of UNEP into a specialized agency designated the UN Environment Protection Organization UNEPO a new mandate to revive the UN Trusteeship Council to supervise environment and the commons as well as law making and institution building processes as reflected in multilateral environmental agreements MEAs and other multilateral forms International Environmental Governance Towards UNEPO addresses the law making challenge presented by growth in MEAs and proliferation of international environmental institutions with a thorough consideration of the debate regarding the need for and efficacy of global governance in the field of environment Dr Desai s timely analysis will assist diplomats lawyers and scholars citizens and civil servants alike in finding the new roads forward *International Terrorism: A Compilation of U.N. Documents (1972-2001)* M. Cherif Bassiouni, 2023-04-17 An extensive body of law designed to control international terror violence has come into being and it is this assembly of reports and resolutions conventions and scattered treaty provisions that we must rely on as we move toward an enforceable unambiguous anti terrorism regime in international law These legal instruments are gathered together for the first time in this definitive two volume set The only published source of all United

Nations documentation since 1972 on the subject of terrorism including all 180 reports and resolutions adopted since that date and up to June 2001 Plus an introductory article by the editor provides a forward looking view of the evolving challenges in combating the ever changing manifestations of terror violence Published under the Transnational Publishers imprint The print edition is available as a set of two volumes 9781571052278

Institutionalizing International Environmental Law Bharat Desai, 2021-10-01 This is a ground breaking study of the law making process and the linkage between international environmental law and international environmental institutions Among many highlights this study shows that international institution building is an organic process directly geared to the needs of states It underscores the fact of international life that institutions are essentially tools operating within legal parameters for states to address global problems Published under the Transnational Publishers imprint

Regional Conventions on Protection of Human Rights Louis B. Sohn, 1973 The International Law of Youth Rights William David Angel, 1995-02-09 This unique pioneering study traces the origin growth and basic features of the international law of youth rights It consists of both source documents and commentary on the historical trends to elaborate and codify international instruments and standards in this field especially by the League of Nations system 1919 1940 and the United Nations system 1946 1994 as well as action taken by governmental intergovernmental and non governmental organizations to promote and protect youth rights It concludes with a call for a new international instrument and monitoring machinery to better promote and protect the rights of youth on a global basis For ease of reference the book contains a comprehensive bibliography and indexes of instruments ratifications correspondents subjects and countries

Embracing the Tune of Phrase: An Psychological Symphony within **14 Regional Convention**

In some sort of consumed by displays and the ceaseless chatter of immediate connection, the melodic beauty and emotional symphony created by the prepared word frequently fade into the background, eclipsed by the constant sound and distractions that permeate our lives. Nevertheless, set within the pages of **14 Regional Convention** a stunning fictional value filled with natural emotions, lies an immersive symphony waiting to be embraced. Constructed by a wonderful musician of language, that fascinating masterpiece conducts viewers on a psychological trip, skillfully unraveling the concealed songs and profound influence resonating within each cautiously crafted phrase. Within the depths with this touching evaluation, we will examine the book is main harmonies, analyze its enthralling writing type, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
