on the reader's growing knowledge of the suite and how to use the suite applications together. All of Peachpit's eBooks contain the same content as the print edition. You will find a link in the last few pages of your eBook that directs you to the media files. Helpful tips: If you are able to search the book search for "Where are the lesson files?" Go to the very last page of the book and scroll backwards. You will need a web-enabled device or computer in order to access the media files that accompany this eBook. Entering the URL supplied into a computer with web access will allow you to get to the files. Depending on your device, it is possible that your display settings will cut off part of the URL. To make sure this is not the case, try reducing your font size and turning your device to a landscape view. This should cause the full URL to appear.

Adobe Illustrator CS6, Level 1 Faydra D. Fields, 2013-01-01 H2O Courseware offers a less cluttered approach to group training and hands on learning because many students are often more concerned with the how and not the why of what they are being trained to do The general consensus can be summed up in the statement I just want to do it not talk about doing it H2O stands for how to

only and each lesson in this manual is a step by step guide on how to accomplish each project with only minimal explanations. If you're one of those people who would like to know why you're doing this or that, then those who own the manual also get unlimited access to video tutorials that duplicate each lesson from the written manual where the how and the why are explained simultaneously. In a group setting, the focus of H2O Courseware is on hands-on learning with explanations of why offered by the instructor to students as needed and/or as requested. While H2O Courseware video tutorials are designed for a self-paced environment and serve as reinforcement as students work through the lessons on their own. In this Adobe Illustrator CS6 Level 1 training manual, students will receive a majority hands-on introduction to the Illustrator workspace including how to use tools, panels, artboards, and specific tools like Live Trace and the Pen and Pencil tools through doing exercises to learn some of their potential uses.
