Coolposing: Secrets of Black Male Leadership in America Dr. George Cross, DM, 2010-10-26 Psychology and social science practically ignored cool as a legitimate topic of research While in fact the occurrence of cool has played an important role in the historical social and cultural development of Black people especially some Black males Some Black male businessmen use cool behaviors to fight against stress caused by meaningful life supporting social economic political and business issues Coolposing is a leadership strategy based on African cultural elements of communicative individuality and mysticism emerging from influences of cool pose It is a part of character and character is the representation of one's self in everyday life It is a positive response by America's Black males and not niggas to alienation lynching and loss of community grounded in the coolness of the first group of captured yet resistant Africans who arrived at Jamestown Virginia in 1619 Within this book readers will learn all about this often ignored subject its central elements and the nine kinds of cool Coolposing proposes a major shift for the best mental spiritual and physical health of Black males and prescribes measures for crisis intervention as well as for preventing mental burnout *The Fight for Black Empowerment in the USA* Kareem Muhammad, 2023-10-02 This book advances the view that concentrated black power is the backbone of the Democratic Party and as such black empowerment represents the last hope for the US both domestically and internationally Through analyses of secondary data historical archives and a variety of political and economic statistical indicators it examines the relationship between black empowerment and America's global stature across its history exploring the socio historical context in which obstacles to black empowerment have occurred and the strategies that have been adopted across time for its realization An examination of what Black political legal economic and cultural power looks like *The Fight for Black Empowerment in the USA* makes an urgent call for the up lift and empowerment of the black population without which the nation faces irreversible political and economic dysfunction domestically and a loss of its status as a global superpower As such it will appeal to scholars across the social sciences with interests in racial and ethnic inequalities and contemporary American society **Ebony**, 2002 **The African American National Biography: Brown, S.-Diggs** Henry Louis Gates (Jr.), Evelyn Brooks Higginbotham, 2008 An 8 volume reference set containing over 4 000 entries written by distinguished scholars *The African American National Biography* is the most significant and expansive compilation of black lives in print today [Black Routes to Islam](#) M. S. Broussard,1998 This book illuminates the professional career and private lives of J McCants Stewart a Reconstruction era lawyer minister politician and political activist and his descendants over three generations providing an epic account of an African American family in America Adapted from book jacket **African Americans and Community Engagement in Higher Education** Stephanie Y. Miller, 2009-09-17 Looks at town gown relationships with a focus on African Americans **Book Review Digest** ,2002-11 **One More River to Cross** Nigel I. Malcolm, 2008 In *One More River to Cross* Professor Nigel I Malcolm argues that the rhetoric of W E B Du Bois contributed to a sense of individual and group failure among African Americans Du Bois also created a need to explain the reasons for the failure of the group as well as that of individuals within the group specifically those within a segment of the black population deemed the talented tenth Professor Malcolm s work explores not only the root causes of this sense of failure among Blacks but also the way in which some members of the talented tenth seek to cope with failure Critiquing the writings of Derrick Bell Randall Robinson and Shelby Steele Professor Malcolm reveals the ways in which these authors explain the choice of an individual or a society between consolation and or compensation for perceived failures among Blacks He argues that whether an author emphasizes the past or the present the spiritual or the material the self or the society the inevitable result is a powerful rhetoric with implications for the future of race relations as well as advancement among Blacks in America The discussion of rhetoric is tied into the failure of the post civil rights era and to W E B Du Bois s earlier discussions of the talented tenth and its role among Blacks **The Envy of the World** Ellis Cose, 2002-02-01 With a compassionate eloquence reminiscent of James Baldwin s *Letter to My Nephew* Ellis Cose presents a realistic examination of the challenges facing black men in modern America Black men have never had more opportunity for success than today yet as bestselling author Cose puts it We are watching the largest group of black males in history stumbling through life with a ball and chain Add to that the ravages of police brutality murder poverty illiteracy and the widening gap separating the black elite from the underclass and the result is a paralyzing pessimism But even as Cose acknowledges the systemic obstacles that confront black men he refuses to accept them as reasons for giving up instead he rails against the destructive attitude that has made academic achievement a source of shame instead of pride in many black communities and outlines steps black males can take to enhance their odds for success With insightful anecdotes about a broad range of black men from all walks of life Cose delivers a warning of the vast tragedy that is wasted black potential and a call to arms that can enable black men to reclaim their destiny in America **Public Library Core Collection** John Greenfieldt, Patrice Bartell, 2008 Wilson s Public Library Core Collection Nonfiction 13th Edition 2008 recommends reference and nonfiction books for the general adult audience It is a guide to over 9 000 books over 6 500 titles are new to this edition plus review sources and other professional aids for librarians and media specialists Acquisitions librarians reference librarians and cataloguers can all use this reliable guide to building and maintaining a well rounded collection of the most highly recommended reference and
