different elaborate literary structures themes motifs and metaphors these other states of being where the fantastic recurrence of literary situations and communion with dead poets and writers Poe Shakespeare Hawthorne and Melville among many others becomes possible The American reality that some readers miss in his writings with the exception of Lolita and the absence of which questions whether Nabokov truly belongs to the Anglo American tradition is clearly to be found in the wayside murmur of the allusive sub texts Nabokov's Palace is thus recommended for scholars students and devotees of Nabokov's fiction who wish to make further discoveries in the distinct otherworld of Art in Nabokov's American novels
