

We Stand Together

When your little heart is troubled
The clouds above are grey
There are those who will protect you
and help keep harm at bay.
In good or bad times
They work for you and me
Helping us
To be
the very best
that we can be.

CHORUS

We stand together
We stand as one
2 billion children
Beneath one sun
We have the rights to
Be free and play,
To be sheltered come what may

If you find your smile is hiding
You feel a little blue
Just remember all the rights that
are looking after you.
When you have bad days
There's somewhere you can go
With grown ups who will listen
Tell you all you need to know.

Commitment to a life of prayer and community can prove to be a great help for those involved in politics Rather than being distracted away from action Evan B Howard argues that committed Christians often find both freedom and empowerment to contribute to the greater good of the world A review of the history of committed Christian life monasticism shows that devout communities have engaged in a wide range of socio political arenas We can explore today what nuns and monks have accomplished in the past We can speak into political conversations We can care for those in need We can model new ways of ordering life together We can take concrete political action in governmental process We can pray This book blends examination of history with musings about the Christian life and politics generally It also offers a collection of monastic practices to equip communities and individuals to embody an appropriate blend of deep and wide for themselves
