Dear Program Director:

I want to thank you again for the invitation to interview with X PROGRAM on Date. Since our meeting, I have completed my interview process and would like to take this opportunity to thank you for your time and to once again express my sincere interest in your program.

Your program has all the components of an excellent residency – a .....(individualize and describe the strengths of the program here).

After meeting you and the faculty and having the opportunity to take a closer look at your program, I am excited to say that I will be ranking X PROGRAM (among my top choice programs, extremely high on my list, as my first choice - but only say to your #1 program etc.)

**\*There are many ways to express your interest in a program these are just a few examples**

I trust that during my interview I was able to convey my desire to become a highly motivated and successful member of your house staff. I hope you will seriously consider me for a residency position. If you need any other additional information, please let me know. Again, thank you very much for the invitation; I look forward to the Match and for the opportunity to work with you, your residents, and staff in July.

Barnwell's life proves there is no need to treat the missionary hall of fame as if its ranks are closed. On the contrary, her kingdom labor reveals that God is still in the business of raising up contemporary greats who are willing to face danger, go the distance, lift up God's Word in unprecedented ways, and see the lost turn to Christ in droves. In fact, there may be no great in all of church history who matches Barnwell's level of influence. All around the world, hundreds of millions of new believers read and hear Scripture in their own language because of Barnwell's work books and language training. By some estimates, about 3,000 completed or in process Bible translations swim directly downstream of her work. Since she rebuilt The Jesus Film Project's methods, more than 300 million viewers around the world have become followers of Jesus. Given such accomplishments, one might expect Barnwell to be arrogant or aloof, and yet those who know her best report a sweet surprise at how warm, endearing, patient, and feisty she is. Her African colleagues call her Mama Katy, and such a name is fitting. She is truly the mother of modern Bible translation and the mother of twenty-first century missions.

*Black Issues in Higher Education*, 2003-06      Computer Education for Teachers Vicki F. Sharp, 2002. Designed to meet the needs of the student unfamiliar with the use of the computer in the classroom, this text is written for undergraduate and graduate education students who want an up-to-date, readable, practical, and concise introduction to computers for teachers. Included in the text are a wealth of classroom lessons that integrate technology into the classroom.

*Secrets of the Widow's Son* Dan Burstein, David A. Shugarts, 2011-11-03. A dazzling speculative inquiry into the mysteries surrounding the sequel to *THE DA VINCI CODE*, *SECRETS OF THE WIDOW'S SON* is itself an unprecedented book concept. Relying on extensive investigative reporting and intellectual sleuthing, it is an explorer's field guide to understanding the main themes, ideas, symbols, and historical issues which author Dan Brown will most likely utilize in *THE SOLOMON KEY*. Months before this much-awaited sequel to *THE DA VINCI CODE* is even published, *SECRETS OF THE CODE* told the story of how the riddle embedded in *The Da Vinci Code*'s dust cover pointed to Dan Brown's next book. Selected letters appearing on the book jacket's flaps, slightly bolder than others, spelled out the mystically alluring question: *Is There No Help for the Widow's Son*. Research led David Shugarts and his team to understand the role of the Widow's Son in the history of Freemasonry, biblical apocrypha, Mormonism, and various secret societies and occult belief systems. Dan Brown has since confirmed that his next book is indeed about the Masons, and that protagonist Robert Langdon of *DA VINCI CODE* and *ANGELS AND DEMONS* fame would be back to lead us on a symbolic treasure hunt through the art, architecture, and secret codes of the American capital, Washington, DC. This book is not a plot spoiler for *THE SOLOMON KEY*. It is not trying to guess who will be murdered or which fictional mysteries, cover-ups, and conspiracies will be invented to drive the plot of this story. *SECRETS OF THE WIDOW'S SON* is about the ideas and issues that will form the background and context for *THE SOLOMON KEY*.
