Gilbert,2013-04-17 The role of religious education faith development among Unitarian Universalists marks the uniqueness of this religious movement Without dependence on dogma or creed it is essential that a religious community be free to develop its own distinctive identity The centrality of religious education was evident in the very beginnings of this liberal denomination Rev Richard Gilbert collects many of the most influential statements of religious education philosophy in the anthology *In the Middle of a Journey* From William Ellery Channings eloquent Sunday School Address to the writings of stalwarts Sophia Lyon Fahs and Angus H MacLean these carefully selected essays trace the evolution of faith development from a Christian catechism to a broadly based faith based quest for values meanings and convictions In an age that tends to belittle the past it is refreshing to realize that if we are to chart where we are going it is wise to know where we have been The Unitarian Universalist movement has been in some interesting places and eagerly seeks an adventurous future [The Works and Life of Walter Savage Landor: Conversations of literary men \(continued\)](#) [Dialogues of famous women. Gilbert,2014-05-12 How long does it take to grow a soul to love and to be loved and to help repair the world One lifetime so it is best to be totally engaged in the process

Growing Up Absorbed follows the journey from cradle to grave through an education focus There are no shortcuts in this spiritual pilgrimage It can be hard but we are companioned along the way What happens is what Gilbert calls spiritual osmosis absorbing what the world has to teach us and passing on what we have learned an absorbing business Within these covers lies a history of religious education in the Unitarian Universalist tradition with reflections on faith development in the 21st century Beginning with Walt Whitmans poem A Child Went Forth as a metaphor the author concludes with life questions that empty the room He finds the journey has its valleys plateaus and mountain peaks and is no casual matter Gilbert shares his excitement on making the journey    **Imaginary Conversations: Miscellaneous dialogues** Walter Savage Landor,1891
