The Career Guide Dun & Bradstreet,1995 Little Bosses Everywhere

Bridget Read,2025-05-06 A groundbreaking work of history and reportage that unveils the stranger than fiction world of multilevel marketing a massive money making scam and radical political conspiracy that has remade American society Companies like Amway Mary Kay and Herbalife advertise the world s greatest opportunity the chance to be your own boss via an enigmatic business model called multilevel marketing or MLM They offer a world of pink Cadillacs white columned mansions tropical vacations and most precious of all financial freedom If that is you re willing to shell out for expensive products and recruit everyone you know to buy them and if they recruit everyone they know too thus creating the multiple levels of MLM Overwhelming evidence suggests that most people lose money in multilevel marketing and that many MLM companies are pyramid schemes Yet the industry s origins tied to right wing ideologues like Ronald Reagan have escaped public scrutiny MLM has slithered in the wake of every economic crisis of the last century from the Depression to the pandemic ensnaring laid off workers stay at home moms and teachers anyone who has been left behind by rising inequality In Little Bosses Everywhere journalist Bridget Read tells the gripping story of multilevel marketing in full for the first time winding from sunny postwar California where a failed salesman started a vitamin business through the devoutly religious suburbs of Michigan where the industry built its political influence to stadium size conventions where today s top sellers preach to die hard recruits MLM has enriched powerful people like the DeVos and Van Andel families Warren Buffett and President Donald Trump all while eroding public institutions and the social safety net then profiting from the chaos Along the way Read delves into the stories of those devastated by the majority female industry a veteran in Florida searching for healing a young mom in Texas struggling to feed her children a waitress scraping by in Brooklyn A wild trip down an endless rabbit hole of greed and exploitation Little Bosses Everywhere exposes multilevel marketing as American capitalism s stealthiest PR campaign a cunning graft that has shaped nearly everything about how we live and whose ultimate target is democracy itself
