**The Anatomy of the Body of God** Frater Achad,2015-09-15 The finite mind of man is unable to grasp the Infinite except in a certain Mystical and Spiritual manner but by the Light of the Spirit let us do our best to comprehend this great mystery of the Beginning If Life is the Substance of Light the Life itself is to be considered as the most subtle substance in our make up while it would follow that the more this substance is extended the greater will be our Illumination the further our range of vision and the wider our Sphere of Consciousness With these thoughts in mind let us attempt to obtain a more complete Understanding of the Primal Process which is still going on Here and Now      *The Anatomy of the Body of God. ### **The Inner Church is the Hope of the World**

Nicholas Laccetti,2018-08-09 Throughout history Western esoteric movements have provided meaning and power for what the Rosicrucians of the early modern period called the quest for Universal Reformation the utopian restructuring of religion science the arts and human society Yet Western esotericism has been roundly ignored as a source of reflection in mainstream Christian theology including the radical theologies of liberation that might otherwise see in esotericism a kindred spirit to their commitment to radical social change In The Inner Church is the Hope of the World guided by his work in contemporary movements for social change Nicholas Laccetti puts Western esotericism in dialogue with liberation theology treating esotericism as a legitimate source of spiritual and theological insight If as Gustavo Gutierrez writes God is revealed in history then we will also encounter God within the particular history of human religious expression that is Western esotericism And from these theological reflections the Inner Church of the esotericists occultists and mystics is revealed to be the true ekklesia of all who have conformed themselves to God's vision of freedom and liberation and who struggle to enact that vision in human society The Inner Church is truly the hope of the world
