## **Answering Phones On Resume:**

**Resumes For Dummies** Joyce Lain Kennedy, 2007-02-26 Is your job search stalling out after you submit a resume but before you're offered an interview? With reinvented recruiting technology, unmanageable millions of resumes choking employer databases, and government mandates in the name of diversity, a gigantic change has occurred in the recruiting world over the past several years, and it demands a fresh look at how you write and market your resumes. Whether you're entering the job market for the first time, changing jobs, or changing careers, *Resumes for Dummies* 5th Edition will show you the ropes and rules for a new era in recruiting and job finding. With 85% new content added since the previous edition, this up-to-date guide gives you the very latest strategies on how to create and more importantly, distribute your resume in today's new job search environment. You'll learn: Why most generic online resumes fail; How to customize resumes for each job opening; New quick ways to find the right jobs; How to use meta search engines to your advantage; Why both digital and print versions of resumes are still needed; How to use resumes interactively; The resume basics that still knock 'em dead; How to create resumes for your life's changing phases; What to do after you send them your resume. With a wealth of sample resumes organized by industry and career field, experience level, and age, and special circumstances, along with tips on choosing professional resume help and other valuable resources, *Resumes for Dummies* 5th Edition will help you get noticed in a universe saturated with billions of resumes and more on the way.
