

The ANC procured a new service provider, and development of the system started, with Phase 1 completed. The system is live and has the essential elements: allowing members to manage their own membership system, transparency in state of membership at all levels, key role for branch secretaries, and audit trail throughout the system. It also makes the physical counting of forms, which makes gatekeeping and other fraudulent activities such as membership buying more difficult. The initial development phase had its difficulties, including the need for the Diverse campaign in 2019, but the system eventually went live in February 2020, training on the membership system started in December 2019, and we were starting with training branches. The pandemic halted this but Organising has since June 2020 started to train Branch secretaries and others virtually.

The delays with the launch of the system, though necessary, had an impact on BGMs due over the last two years, with a knock-on effect on regions and some provinces. The next steps for 2020 is to complete the Branch training on the system, resolving teething issues, review Phase 1 and to move towards phase 2 and 3 development of the system.

Aspects still to be implemented/strengthened:

- Resolve issue of allocation of membership fee to branches: recommendation from Finance Committee.

- Recruitment strategy for branches part of the ANC Branch manual

- Complete Phase 1 evolution and roll-out of the MMS.

- Ensure production of regular Membership reports to NWC, PECs, REC's and BGMs.

A3. Clear ANC POA of all levels

As per the injunction of the Resolution, the NEC since 2018 each year adopted an Annual POA, based on Conference resolutions, which provinces and regions then use to develop their own POAs. Annual budgets have also been presented to the Finance Committee each year, however, there remains a serious problem in our capacity to fund our programmes and structures. The POA are discussed at Makgoba at the beginning of each year, and we also had a special Lekgoba in May 2020, after the NPE to plan around the Manifesto.

POA implementation has been inconsistent, as has been the reporting on the implementation of the POA. We have produced Annual reports for 2018 and 2019, but this has not been discussed by the NWC or NEC. For 2020, we also have to revise our POA in the context of the Covid-19 pandemic.

Areas of resolution to be improved or implemented includes the capacity in SGO to monitor and coordinate POA, and to ensure discussed by structures.

A4. Cadre Development

The resolution calls for induction of members; REC's, SEC's and PEC's; and Councillors. Expansion of the Political school online courses to assist ANC study groups and individuals to complete the courses. Encourage leaders and deployed cadres at all levels to develop their skills, qualifications and enhance capacities and ANC to run compulsory schools for leadership collectives and deployed cadres. Develop virtual and real discussion forums on current debates; use radio and podcast.

The NEC adopted the Mass Political Education programme, aimed at training 1000 cadres capable to help with political education in branches, especially supporting Branch study group and induction. To date, less than half of this number have been reached, due to resource constraints, with similar restrictions on more general induction.
