Textbook Equity College Edition

Answer To Unit 6 Chapter22:

Anatomy and Physiology Volume 2 of 3 Textbook Equity Edition, 2014-01-25 Human Anatomy and Physiology is designed for the two semester anatomy and physiology course taken by life science and allied health students. The textbook follows the scope and sequence of most Human Anatomy and Physiology courses and its coverage and organization were informed by hundreds of instructors who teach the course. Instructors can customize the book adapting it to the approach that works best in their classroom. The artwork for this textbook is aimed at focusing student learning through a powerful blend of traditional depictions and instructional innovations. Significant use of micrographs from the University of Michigan complement the illustrations and provide the students with a meaningful alternate depiction of each concept. Finally enrichment elements provide relevance and deeper context for students particularly in the areas of health disease and information relevant to their intended careers. Lippincott's Textbook for Nursing Assistants Pamela J. Carter, 2007-06-01 Now in its Second Edition this textbook prepares students to work as nursing assistants in long term care acute care and home health care settings and provides a firm foundation for advancement to an LPN and ultimately an RN role. The book is written in a direct conversational writing style with an emphasis on professionalism and humanism. This edition is significantly updated and has new photographs and illustrations. A front of book CD ROM includes an audio glossary. An audiobook version of the entire text in MP3 format is available as a separate purchase. A student edition DVD containing selected procedures from Lippincott's Video Series for Nursing Assistants is also available as a separate purchase.
