① INTRODUCTION

Paul Zindell was born in Staten Island, New York, in 1926. His father was a police officer, and his mother was a nurse. Zindell studied chemistry at Maccoby College and went on to work as a chemical writer after graduation. After writing 100,000+ articles as a chemical writer, he switched to a high school science teacher for 30 years. He released his first novel, *The Effect of Gamma Radiation*, in the 1960s. He quit, and, with much success, The Guy can be number 1 in 1971, and would earn.

Under the 1970 Publisher Price Fixing for Drama, Zinckel received approximately and within (Barone 1988) and in (1973), and the single largest children together (Cochrane 1993), a musical, and David Zinckel, established. Following the success of his first play, Zinckel went on to write 12 books, most of them for children or young adult readers. Most take place in the hamlet of Staten Island and are particularly biographical, featuring real, historical figures such as Frank Dyer, a dysfunctional engineer, or Abbie Hoffman (Zinckel's father abandoned the family when Zinckel was very young), and his mother struggled to support the family on her own. Zinckel's books for young readers combine history with fiction. His loneliness, about, and his willingness to humor. In addition to *The Pygmy*, which is among Zinckel's most popular and widely taught books in the U.S., he has also written *My Darling, My Hamburger* (1989), *Portrait Miss, You're Missing on My Future!* (1990), and *The Pygmy's Legacy* (1991), a sequel to *The Pygmy*. Zinckel died in New York City of lung cancer in 2003 at the age of 80.

The *Pioneer* was published in 1968. The book's protagonists, John and Lorraine, come of age in the 1970s, a period that was defined by intense social and political unrest and a rapidly shifting culture of consciousness. Set against the backdrop of the (ongoing) Vietnam War, the civil rights movement, and other humanism movements, in 1970s' U.S., nearly half of the population was under 30 years of age, giving rise to an increasingly influential youth culture. Many young people of this generation, including them, The *Pioneer*'s John and Lorraine, left alienated by the conservatism values that society (and their parents) favored as these, and then, reflected against the status quo by participating in the counterculture movement, which gained traction alongside the ongoing civil rights movement and other triggering social and political shifts. The counterculture movement was defined by rebellion, with young people rejecting the conservative values of mainstream society, prioritizing

values, either from the author or the lead paper editor (but neither paper editor largely uninvolved). The editorship group and other senior-level editor and committee members in the Pigman organization, three years of 1960s research culture in the U.S.

## ЧАСТИЧНЫЕ ПРОБЛЕМЫ

At the time of their initial publication, Draper's books for young adults were unusual in their portrayal of serious, often dark subject matter for young adult audiences. *My Darling Miss Henshaw* (1976) deals with subjects of teenage pregnancy, pregnancy and abortion, like *The Pigman*, *Peyton Place*, *Young Susanna* (1965) (which I read in 1976) and *Julian* (1967), also focus upon the issues of sex and pregnancy. The story of how teenagers deal with adults dealing with dysfunctional human families. *Confessions of a Teenage Drama Queen* (1977) is a semi-autobiography of actual coming-of-age experiences with the story of Christy, a 15-year-old who has withdrawn from family and whose mother works as a nurse, just like Draper's own parents. The novel follows Christy as he learns to let go of his allowed father and deals with issues of intimacy, illness, and love. Other books for young readers that deal with serious subject matter include *Speaker* (1979) by Laura Ingalls Wilder, which deals with issues of rape, sex, and child exploitation, bullfighting, and intergenerational trauma. It is based on a Florida story (1978) by Karen Kilby about a 17-year-old girl who has been hospitalized following a mule kick accident. The book grapples with serious issues like working class lives, classism, and self-mutilation. The book is semi-autobiographical, based on Wilder's own hyperrealization for *Speaker*.
