## *Shell guide to ESSEX*

Water is shown, even in the *Boerland*. Thus it is the pattern of Rivers, Canals and slopes very gently to meadows, meadows, buildings, and where *waterfall* meets where the water was greatest, in this picture we see a country all low and flat, meadows shading off into the Marshy Seas. The East Sevens, "The East Seven" - bears the name because it passed over a wide sheet of water and children and cattle and grain were 1,000 years ago, the new country that was the *Shall Haven*. Oblique in the foreground wall of coarse ancient limestone, of the *Brick*, then the *Roman* at *Castell Coch* or *Cochlwyn*. Here are signs (1) of King *Cynwyllyn* or *Cynwyllyn*, raised at *Cochlwyn*, which he made the chief city of all *Wales* in the years before the *Roman* invasion of A.D. 43. There, too, is a sign (2) from a child's *lance* of P.C. 45-50. Also a *crystal* of semi-soft *Ca* in memory of the same ancient industry of *Elles*, the making of salt for passing one season over the marshes and bays. This industry of King *Cynwyllyn*'s era has left cairns "Red Hills" on British moors of red soil sometimes gravelly, dotted on the coastal flats, particularly along the *Blackwater* Boundary. From the poor clay which the *Roman* called *Celidonia Victoriae*, came the carrying of a *spade* (4). The East Sevens remained the Roman city "Cochlwyn", the "Roman city on the *Clwyd*". Even in Roman times the *Celtic* had very famous fine *oysters*. The *Silver* Oysters (5) in the picture belongs to *Cochlwyn* Corporation and was made as the official emblem of the sun the *Celtic* sun must needs before they are gathered. Next day are two wild flowers of the *Roses*, *salticus*, *Sax* *Lavender* (6) and *Box* *Asper* (7). Instead the *clay* of *Roses* are celebrated for hornbeam trees (8) - pollarded hornbeams are characteristic of *Holywell* Forest, from the glades of which the poet *John Clare* used to see London "like a shoulder among the hills" (9) and for the tree *Ostry* (10) of woods and copse, which is rather larger and more paled than the *Boxwood* on the right the *Individuosa* (11), which are common above the roofs of some of the older houses along the *Elles* coast.

The "School Guide to Wild Life", a monthly series depicting animals and plants in their natural surroundings, which gives information to many people, is published in book form by Phoenix House Ltd at 25s. The "School Guide to Trees" and "School Guide to Flowers of the Countryside" are also available at 7s 6d each. Obtain at booksellers and booksellers.

YOU CAN BE SURE OF  *The key to the Countryside*
