

The poster features a large, close-up portrait of a man in a military uniform and cap, looking directly at the viewer. In the background, a long, winding border wall stretches across a vast, arid desert landscape under a hazy, orange-tinted sky. To the right, a smaller, semi-transparent image shows a woman's face, partially obscured by a dark, possibly metallic, structure. The title 'LINE IN THE SAND' is prominently displayed in the center in a large, bold, metallic font. Below the title, a small group of soldiers in full combat gear is seen walking along the base of the border wall.

**A Line in the Sand** James Barr, 2011-10-27 The very grubby coalface of foreign policy I found the entire book most horribly addictive Independent One of the unexpected responses to reading this masterful study is amazement at the efforts the British and French each put into undermining the other Spectator A fascinating insight into the untold story of how British French rivalry drew the battle lines of the modern Middle East In 1916 in the middle of the First World War two men secretly agreed to divide the Middle East between them Sir Mark Sykes was a visionary politician Francois Georges Picot a diplomat with a grudge They drew a line in the sand from the Mediterranean to the Persian frontier and together remade the map of the Middle East with Britain's mandates of Palestine Transjordan and Iraq and France's in Lebanon and Syria Over the next thirty years a sordid tale of violence and clandestine political manoeuvring unfolded told here through a stellar cast of politicians diplomats spies and soldiers including T E Lawrence Winston Churchill and Charles de Gaulle Using declassified papers from the British and French archives James Barr vividly depicts the covert deadly war of intrigue and espionage between Britain and France to rule the Middle East and reveals the shocking way in which the French finally got their revenge *A Line in the Sand* Tarragon Theatre Archives (University of Guelph), 1994 **A Line in the Sand** Gerald Seymour, 2014-12-18 From the author of Harry's Game A Sunday Times 100 best crime novels and thrillers since 1945 pick In a village on the Suffolk coast Frank Perry waits for his past to arrive A decade before he spied for the Government on the Iranian chemical and biological weapon installations His information damaged their killing capacity for years Now Iran will have its revenge and has despatched their most deadly assassin to fulfil the task Codenamed the Anvil he will move with stealth towards his chosen objective unless Perry's protectors can reach him first As he draws nearer the ring of steel around Perry grows tighter But against a faceless adversary and with the job fatally compromised by the stifling political bureaucracy surrounding it there seems little chance that the past will not have its day once more *A Line in the Sand* Ethriam Cash Brammer, 1996 *The UberReader* Avital Ronell, 2010-10-01 Avital Ronell has put together what must be one of the most remarkable critical oeuvres of our era Zeugmatically yoking the slang of pop culture with philosophical analysis forcing the confrontation of high literature and technology or drug culture Avital Ronell produces sentences that startle irritate illuminate At once hilarious and refractory her books are like no others Jonathan Culler Diacritics For twenty years Avital Ronell has stood at the forefront of the confrontation between literary study and European philosophy She has tirelessly investigated the impact of technology on thinking and writing with groundbreaking work on Heidegger dependency and drug rhetoric intelligence and artificial intelligence and the obsession with testing Admired for her insights and breadth of field she has attracted a wide readership by writing with guts candor and wit Coyly alluding to Nietzsche's gay science The *UberReader* presents a solid introduction to Avital Ronell's later oeuvre It includes at least one selection from each of her books two classic selections from a collection of her early essays Finitude's Score previously uncollected interviews and
