

A close-up photograph of a car's instrument cluster. The cluster features three circular gauges: a tachometer on the left with a red needle pointing to 1, a speedometer in the center with a red needle at 0, and a fuel gauge on the right. To the left of the tachometer is a small digital display showing '1200'. A white arrow points from a text box in the bottom right corner to the red light on the tachometer. The car's exterior, including a vent and a headlight, is visible in the background. The Toyota logo is partially visible at the bottom of the frame.
