

# **The American Pageant**

## **Chapter 1:**

- The European explorers who followed Christopher Columbus to North America had no notion of founding a new nation, and neither did the first European settlers who founded the thirteen English colonies
- Most learned to live lives unfettered by the tyrannies of royal authority, official religion, and social hierarchies that they had left behind.
- Most came determined to create an agricultural society modeled on English customs.
- They also commonly displayed a willingness to subjugate outsiders. Ex: indians
- The thirteen colonies were very different from one another.
- Diversity reigned in New York through Delaware
- Conflicts began over economic interests, ethnic rivalries, and religious practices
- These issues made it difficult for colonists to imagine that they were a single people with a common destiny
- After 1763, the British government, which was financially overstretched, chose to impose taxes on colonies that had been accustomed to answering mainly to their own colonial assemblies.
- In 1775 most people in the colonies hoped that some kind of accommodation short of outright independence, royal intransigence soon thrust the colonists into a war of independence that neither antagonist could have anticipated just a few years before.
- The war in one sense strengthened ties with Britain, since colonial militias fought triumphantly alongside the British army against their mutual French and Indian enemies
- The British made themselves less indispensable to the American colonies by driving the French from the North American continent
- In the end, Americans won the Revolution, with no small measure of help from the French
- In every colony people shared a strong belief that they were fighting for the "unalienable rights" of "life, liberty, and the pursuit of happiness."
- The majestic ranges of western North America—the Rockies, the Sierra Nevada, the Cascades, and the Coast Ranges— arose much more recently than others (some 13.5 million to 25 million years ago).
- The continent was anchored in its northeastern corner by the massive Canadian Shield

**getting dark on old Broadway". African American theatre of the Harlem Renaissance in search of the right direction** Clare Stalder, 2013-04-19 Seminar paper from the year 2011 in the subject Didactics for the subject English History of Literature Eras grade 2 0 Free University of Berlin language English abstract When Gilda Gray performed *It's Getting Dark on Old Broadway* in the opening show of the song and dance revue *Ziegfeld Follies* on 5 June 1922 she eternalized Broadway's latest trend. While Black entertainment proliferated in the Theatre District along Broadway in the 1920s and it seemed that black shows had made it into the limelight of success, there was however a different dark side to the developments of the black performance scene. To many leading intellectuals of the Harlem Renaissance, the new darkness on Broadway looked rather bleak. Important figures like W. E. B. Du Bois, who campaigned for a new racial identity through cultural creation, feared that the new phenomenon of black productions reaching out for mainstream success would betray their cause. In his speech at the NAACP's annual conference, he famously claimed that all Art is propaganda and ever must be. Du Bois par 29 Catering to the white public's demands par 33-35 as the successful Black Broadway musicals did would mean failing the cause, according to Du Bois. While some scholars argue that theatre and performance in the New Negro era played a pivotal role in the evolution of Black Nationalism, Krasner 1, those are opposed by a number of authors who look upon the Harlem Renaissance as a failure. cf. Baker xiii Neal 39 Krasner 95f. In the following paper, I will look into the question of whether the performers and artists of the Harlem Renaissance really failed to contribute to a change of white America's attitude toward the African American race. Krasner 14. One point at issue will be whether the increasing success and commercialisation of Black theatre counteracted the objectives of racial renewal or if, on the contrary, they were a means to an end.

**Genesis and Exodus** Milton Spenser Terry, Fales Henry Newhall, 1889 **Social Problems** Jack Levin, 2000 **The Pageant of American History** Gerald Leinwand, 1975 A textbook outlining the history of the United States, emphasizing its role as an urban nation of immigrants and migrants. **The Missionary Review**, 1923 Parodies of the Works of English & American Authors Walter Hamilton, 1887 *Instructor's Manual to Accompany Communicating in the Classroom* Kathleen M. Kough, 1997

## Decoding **American Pageant Chapter 3questions**: Revealing the Captivating Potential of Verbal Expression

In a time characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring.
