

The Stormy Sixties

— c/o —

1960–1968

*Let the word go forth from this time and place, to friend
and foe alike, that the torch has been passed to a
new generation of Americans.*

JOHN F. KENNEDY, INAUGURAL 1961

Complacent and comfortable as the 1950s closed, Americans elected in 1960 a young, vigorous president who pledged “to get the country moving again.” Neither the nation nor the new president had any inkling as the new decade opened just how action-packed it would be, both at home and abroad. The 1960s would bring a sexual revolution, a civil rights revolution, the emergence of a “youth culture,” a devastating war in Vietnam, and the beginnings, at least, of a feminist revolution. By the end of the stormy sixties, many Americans would yearn nostalgically for the comparative calm of the fifties.

Kennedy's “New Frontier” Spirit

Harless and ropeless in the twenty-two-degree chill, John F. Kennedy delivered a stirring inaugural address on January 20, 1961. Tall, elegantly handsome, speaking crisply and with staccato fingerjabs

at the air, Kennedy personified the glamour and vitality of the new administration. The youngest president ever elected, he assembled one of the youngest cabinets, including his thirty-five-year-old brother, Robert, as attorney general. “Bobby,” the president quipped, would find “some legal experience” useful when he began to practice law. The new attorney general set out, among other reforms, to recast the priorities of the FBI. The bureau deployed nearly a thousand agents on “internal security” work but targeted only a dozen against organized crime and gave virtually no attention to civil rights violations. Robert Kennedy's efforts were stoutly resisted by J. Edgar Hoover, who had served as FBI director longer than the new attorney general had been alive. Business whiz Robert S. McNamara left the presidency of the Ford Motor Company to take over the Defense Department. Along with other youthful, talented advisers, these appointees made up an inner circle of “the best and the brightest” men around the president.
