partner has been a bit limited But after an eye opening experience with couple acquaintance within the scene Adam and Damien apply to become members in the highly exclusive Langston Society a BDSM network of the city s most powerful and influential men Rather than questionnaires or resumes the Langston uses only one metric to assess potential couples the worthiness of the submissive So it is that Adam finds himself standing alone before a gathering of the city s most powerful and sexually dominant men with only one task obey Lessons in Submission The First Trilogy follows Adam along the initial steps of his sexual adventure first at the hands of his partner then on the public stage of the Langston Society and finally into the house of discipline established by one of the society s most prestigious members who intrigued by Adam s charms makes a rare offer to train him personally over the course of a week Excerpt Slowly as though he could sense my impatience Jack s deep charcoal eyes turned towards me Adam he said simply I m glad you could come Master I responded eager to try the new form of address He smiled You ve heard that word have you Good We ll teach you the meaning of that word very thoroughly before you leave here A slight shiver ran down my spine God was I already getting hard He stood and walked over to me I like a new toy that arrives early in the morning he said There is so much time left in the day to try it out He laid a finger under my chin tilting my face up to meet his With a slight pressure he bid me stand and I rose to my feet my eyes never leaving his You ve been on my mind a very great deal over the past twelve hours he said to me The number surprised me Had it really only been that long I m usually such a patient man he went on sliding a finger within the neck of my shirt just brushing my skin What is it about you that so undermines my self control I trembled slightly at his touch and the tone of his voice His words were deep with intensity and yet I did not believe him for a moment when he said his self control was compromised He seemed to have so much of it that it bled over and controlled me too without him being entirely conscious of it Simply having him standing in front of me looking and touching me was enough to paralyze me until next he told me to move And all nicely wrapped he murmured I can always tell an outfit chosen with care We ll put these clothes somewhere safe for the week I wouldn t want them to wrinkle His gaze held mine as he began to strip my clothes from me A slight flush rose to my cheeks but I did not break eye contact My God he didn t beat around the bush There was the slightest hint of a challenge in his deliberate movements I am making you naked in front of me his eyes were telling me There is no secret or thought or emotion you possess that I cannot choose to uncover You walked in my door knowing who I was and what I wanted and now you will be utterly mine *Utterly Dominated (Gay, BDSM, Bondage, Degradation)* S M
