
English Language Paper 1 Question 5

Merciless. Unrelenting. Unsparring. The storm marched on the landscape, flanked on all side by corps of cumulonimbus clouds. In the distance, daylight retreated: terrified by the approaching onslaught of piercing rain. Lightning permeated the dense, grey clouds. It flashed hot and bright – so blinding that the sky, for an instant, became a single sheet of white. A low rumble of thunder echoed across the vast canopy of sky, reverberating as it weaved through the trees. These bolts of lightning were viciously thrust downwards like polished blades, blinding and deafening at once: an assault on the senses. Below – in no man’s land – sprawls of ivy stalked across the ground like coils of barbed wire; Rivulets of rain gouged deep trenches into the earth.

Situated at the centre of the landlocked tempest was a stocky dwelling. The building stood abandoned; It was ancient and in disrepair. Dilapidated and crumbling, its walls were permanently soddened from years of exposure to nature’s harsh elements. As the storm continued to advance, the ashlar cladding buckled under a steady stream of torrential rain that threatened the landscape with a devastating deluge. Inside, the place was coated in nicotine and despair. A lone man – drowning in sorrow – sat slumped like an abandoned marionette.

Unkempt and unwashed, his matted tresses hung limply around his face. His eyes, glassy and sunken in, stared unseeing at the opposite wall. With his gaunt cheeks and sallow complexion, it was clear that the haggard man had faced the ravages of time. Nervously picking at the fraying hem of his jacket, his twitching hands were the only movements that conveyed his aliveness. Stealthily, the storms greatest ally closed in on all sides as the sun finally dipped below the horizon. Darkness flooded the room and seemed to drown the slouched figure as night time prevailed.

Overnight, everything changed.

The sun had risen with a new, fierce intensity. It was clear to see how it had flattened the land into submission. Far off, the horizon rippled in the blistering heat haze and the never ceasing rolling fields and forests stretched out either side. The storms momentary victory the night before was only evident in the shrapnel of leaves and snapped branches that littered the ground. As the sun dripped warmth like hot wax, the wilting trees stood at ease in the unnatural swelter. Even as it rose throughout the day, the sun continued to glare at its cowering subjects as if it would never again drop below the horizon. Advancing on the landscape, its rays flashed hot and bright, blinding and oppressively hot at once: an assault on the senses.

Pilgrimage to Broken Mountain Alan R. Sandstrom, Pamela Effrein Sandstrom, 2023-01-20 An ethnographic study based on decades of field research Pilgrimage to Broken Mountain explores five sacred journeys to the peaks of venerated mountains undertaken by Nahua people living in northern Veracruz Mexico Punctuated with elaborate ritual offerings dedicated to the forces responsible for rain seeds crop fertility and the well being of all people these pilgrimages are the highest and most elaborate form of Nahua devotion and reveal a sophisticated religious philosophy that places human beings in intimate contact with what Westerners call the forces of nature Alan and Pamela Sandstrom document them for the younger Nahua generation who live in a world where many are lured away from their communities by wage labor in urban Mexico and the United States Pilgrimage to Broken Mountain contains richly detailed descriptions and analyses of ritual procedures as well as translations from the Nahuatl of core myths chants performed before decorated altars and statements from participants Particular emphasis is placed on analyzing the role of sacred paper figures that are produced by the thousands for each pilgrimage The work contains drawings of these cuttings of spirit entities along with hundreds of color photographs illustrating how they are used throughout the pilgrimages The analysis reveals the monist philosophy that

underlies Nahua religious practice in which altars dancing chanting and the paper figures themselves provide direct access to the sacred In the context of their pilgrimage traditions the ritual practices of Nahua religion show one way that people interact effectively with the forces responsible for not only their own prosperity but also the very survival of humanity A magnum opus with respect to Nahua religion and religious practice Pilgrimage to Broken Mountain is a significant contribution to several fields including but not limited to anthropology Indigenous literatures of Mesoamerica Nahuatl studies Latinx and Chicanx studies and religious studies
