Ian Pickup

American Odyssey Textbook Chapter 19:

The Politics of American Education Joel Spring, 2011-01-12 Turning his distinctive analytical lens to the politics of American education Joel Spring looks at contemporary educational policy issues from theoretical practical and historical perspectives This comprehensive overview documents and explains who influences educational policy and how bringing to life the realities of schooling in the 21st century and revealing the ongoing ideological struggles at play Coverage includes the influence of global organizations on American school policies and the impact of emerging open source and other forms of electronic textbooks Thought provoking lucid original in its conceptual framework and rich with engaging examples from the real world this text is timely and useful for understanding the big picture and the micro level intricacies of the multiple forces at work in controlling U S public schools It is the text of choice for any course that covers or addresses the politics of American education Companion Website The interactive Companion Website accompanying this text includes relevant data public domain documents YouTube links and links to websites representing political organizations and interest groups involved in education

God's Amazing Grace: Reconciling Four Centuries of African American Marriages and Families Terry M. Turner, 2017-12-18 God's Amazing Grace Reconciling Four Centuries of African American Marriages and Families is an insightful study that will be welcomed by thoughtful practitioners and all who ponder the African American family's complexity Readers familiar with the deep rich reservoir of African American family literature will recognize many of the black scholars referenced in this work Readers unfamiliar with these sources will be grateful to discover them and the effective use of disparate literature This work will become a different kind of guide for studying American history through the lens of the African American family Underneath all the research is the search for answers to the compelling questions Is there a correlation between slave owners denial to slaves God's design for the family and the familial chaos that has plagued African American families for more than a hundred fifty years And if there is connection what is it The author has brought something new to a familiar topic of discussion the Bible The unique moral compass that steered this study is solidly anchored in the bedrock of holy scripture In this work the history and sociology of African American marriages are examined in light of the questions asked by Holy Scripture In so doing Dr Turner skillfully attempts to help readers make sense of the story of black families in America May this book mark the beginning to a new reality for African American families Dr Willie Peterson senior executive advisor adjunct professor of Pastoral Ministries Dallas Theological Seminary

The African-American Odyssey: Since 1865 Darlene Clark Hine, William C. Hine, Stanley Harrold, 2003 This book is the first comprehensive survey of the African American experience It draws on recent research to present black history in a clear and direct manner within a broad social cultural and political framework White supremacy the Great Depression the building of black community institutions the equal rights movement and African American military service For anyone who is interested in an in depth exploration of African American history as it relates to U S history

The African-American Odyssey

Media Research Update Board of Trustees Professor of African American Studies and Professor of History Darlene Clark Hine, Darlene Clark Hine, William C.
