unique work seeks to show a way forward

COMMENDATIONS In a world that wants to see only one side of every conflict and this one especially where people believe only their own propaganda and where many Christians inhabit hard shells of theological political and apocalyptic certainties this book is a bravely different voice Rather it is two voices talking carefully honestly graciously respectfully and truthfully to each other as sisters and brothers in the Messiah should This is a unique conversation in which each partner Messianic Jewish Israeli and Palestinian Christian gives full expression to all that they are and think and feel about themselves and the conflict in their land We are treated to some stretching theological debate and some honest self criticism But above all we come to share the hope and courage that shines through the pain and struggle

Christopher J H Wright International Ministries Director Langham Partnership UK The Palestinian Israeli divide may be the most intractable conflict of our time With great courage honestly facing the turbulent political historical and theological landscape which authentic reconciliation must engage Munayer and Loden open up fresh space Given the divides between their communities this book is a remarkable achievement a cry of hope from the land where Jesus walked
