Understanding the **Map** is key to completing missions in **DCS**. Accessed by pressing **F10**, the map gives you all sorts of information. Your current location, the location of airbases, allied aircraft, enemy aircraft, enemy and allied ground forces and more. But depending on the mission or multiplayer server settings, some of this map information can be hidden and not shown at all.

Some multiplayer servers severely restrict what is visible on the map to make the experience more realistic. Some multiplayer servers are quite open and show a lot of information.
