EASYUNI Ultimate University Guide 2014 easyuni sdn bhd,2014-05-08 Every issue of easyuni is organised in such a way that crucial information is succinctly delivered to you We are also constantly exploring new mediums to maximise the reach of information to you That s the main reason easyuni magazine was started we found that many readers would benefit from this information in this form We believe this is only logical as we ve received an overwhelming response from our readers for the past two issues which has motivated us to bring you even more quality content in subsequent issues Among the many improvements on easyuni com is the revamped course recommendation tool a step closer towards our vision of enhancing students capacity to make the right decisions about their tertiary education The new course recommender is aimed at students who are not very certain about what to study and our intelligent system recommends courses based on the personality and interests of an individual As for the magazine we have also listed some of the top universities in Asia that offer the courses covered in this issue along with numerous ways to apply for them We have what we believe is the best tertiary education advice to help you make better decisions about your future Every bit of information is helpful in guiding you to reach your higher education goals We enjoyed getting this magazine out to you and we believe you ll enjoy reading every page

Comprehensive Reform for Student Success Nan L. Maxwell,Ann E. Person,2017-01-19 Community colleges face pressure to do more with less that have prompted many college leaders to consider fundamental changes to the ways they have typically done business Because piecemeal solutions have not often been effective or efficient colleges are moving far beyond discreet programs or interventions and are attempting to implement comprehensive reform efforts This volume conceptualizes comprehensive reform as being marked by a focus on student success a theory of change that ties programmatic components together in an intentional and cohesive package implemented at multiple levels throughout the college and touching the majority of students and a culture of evidence that uses data to continuously assess programs and processes against student success Presenting original analyses that describe the rationale for comprehensive reform this volume examines the challenges involved in implementing evaluating and sustaining those efforts This is the 176th volume of this Jossey Bass quarterly report series Essential to the professional libraries of presidents vice presidents deans and other leaders in today s open door institutions New Directions for Community Colleges provides expert guidance in meeting the challenges of their distinctive and expanding educational mission
