4th Grade Science Projects With Soda:

The Weaponizing of Language in the Classroom and Beyond Kisha C. Bryan,Luis Javier Pentón Herrera,2023-12-04
In this edited volume language weaponization or the weaponization of language is used to describe the process in which words discourse and language in any form can be used to inflict harm on others The term harm is of vital importance because it refers to how specific groups of people are affected by ideologies and practices that normalize inequity and injustice in their environments The contributions in this book explore how language ideologies practices and policies can physically emotionally socially and or economically disadvantage or harm minoritized individuals as well as their cultures and languages
