Anti-Blackness at School Joi Spencer, Kerri Ullucci, 2022 While schools often are framed as places of neutrality and fairness many American schools have harmed Black children or been silent in the face of their struggles under education and mistreatment While there are undoubtedly adults in these spaces who support Black children many others ignore Black families minimize students concerns and believe that colorblindness will solve the problem of inequity in education Embedded in everyday realities the authors outline the many ways anti Blackness shows up in schools Drawing on more than 44 years of equity work they provide concrete doable and meaningful ways in which teachers and administrators can create Black affirming spaces Written for pre and in service teachers and others working with Black children and youth Anti Blackness at School explores both the scope of anti Blackness and how teachers can reject racism Book Features Provides interracial perspectives from authors Joi Spencer a Black woman from California and Kerri Ullucci a White woman from Rhode Island Uses case studies activities lessons and techniques to talk about anti Blackness inventory its presence and take steps to address the harm caused by it Calls out how school policies programs belief systems and customs are particularly hostile to Black youth Explains why diversity work is not synonymous with antiracist work offering a model focused on justice and equity Directs practitioners to easily accessible resources that will allow them to challenge racism and uplift Black youth in their care

Practical English, a Scholastic Magazine ,1962 **Documents & State Papers** ,1948 Social Studies in Elementary Education Walter Parker, 2009 The author wrote this new edition of the most popular elementary social studies methods text on the market with the following three goals in mind to present the most powerful social studies content and pedagogy for children in elementary school to offer the material in simple and accessible ways and to write in a first person active voice The purpose of this book is to introduce new teachers to the world of social studies teaching and learning in elementary and middle schools Geography history government and the other social sciences are delivered into the palm of the new teacher s hand along with a suite of tools for bringing social studies to life in the classroom The book is organized into three sections the first orients the reader to the mission of social studies education to the increasingly diverse children we teach the second concentrates on the curriculum and the third deals with instruction how we plan and teach this curriculum Three central themes continue to pervade the book democratic citizenship diversity and the social sciences to ultimately encourage teachers to excite their students about closing the gap between social realities and democratic ideals An exceptionally strong chapter on multicultural issues Chapter 2 helps future teachers truly understand the changing demographics of the American classroom Abridged NCSS standards and their classroom applications are automatically packaged with every copy of the book
