Prepare and Practice for Standardized Tests, Grade 4 Julia McMeans, 2009-01-02

This series takes advantage of the latest research related to standardized testing. It prepares not only students but also teachers and parents for successful testing experiences. Each book in the series presents test taking strategies and anxiety reducing tips. The practice tests cover grade specific standards based content. The test questions are similar in style to those found in current standardized tests. There's no magic in these books. They're not fancy. But they offer the very best preparation for making the most of testing and getting results that accurately measure what each student knows.
