AIS is a central source of reference information available to all Amadeus users. Some parts of AIS are updated by Amadeus, others by External providers.

You can display AIS pages at any time, even when you are not signed into Amadeus. If you are working in Amadeus, you can display AIS and then return to your previous activity.

You can move to the page you want to display by using special short commands called quick paths. For example, to access the Qatar Airways page enters: **GG AIR QR**

To display main index of AIS topic enter: **GG AIS**
