The Remedial Writing Teacher's Handbook Vicki L. Hackett, Paul C. Dalmas, 1996 A comprehensive guide to help students develop basic writing competencies and to encourage them to continue writing for their own enjoyment and satisfaction **Common Core Standards for Elementary Grades K-2 Math & English Language Arts** Amber Evenson, Monette McIver, Susan Ryan, Amitra Schwols, 2013-05-20 Smart implementation of the Common Core State Standards requires both an overall understanding of the standards and a grasp of their implications for planning teaching and learning. This Quick Start Guide provides a succinct all in one look at The content structure terminology and emphases of the Common Core standards for mathematics and English language arts and literacy in the lower elementary grades. The meaning of the individual standards within each of the four ELA literacy strands and five math domains with an emphasis on areas that represent the most significant changes to business as usual. How the standards connect across and within strands domains and grade levels to develop the foundational language arts literacy and mathematics understanding that will support a lifetime of successful learning. Here teachers of grades K-2 and elementary school leaders will find information they need to begin adapting their practices to help all students master the new and challenging material contained in the standards. A practical lesson planning process to use with the Common Core based on Classroom Instruction That Works 2nd Ed is included along with six sample lessons. **LEARN THE ESSENTIALS OF THE COMMON CORE** The grade level and subject specific Quick Start Guides in the Understanding the Common Core Standards series edited by John Kendall are designed to help school leaders and school staffs turn Common Core standards into coherent content rich curriculum and effective classroom level lessons.

Ready-To-Use Writing Proficiency Lessons and Activities Carol H. Behrman, 2003-12-29 An experienced teacher and author Carol Behrman helps students develop the sound foundation they need to become proficient writers throughout their lives. Included are a variety of easy to use reproducible activity sheets to provide review and application of basic language skills as well as extensive practice in producing the types of writing called for in standardized tests. The steps of the writing process are emphasized throughout. Each set of activities is accompanied by detailed lesson plans and suggestions to the teacher for presenting and implementing the skills and concepts being addressed. Each section is followed by a practice test focusing on the concepts and skills covered in the section plus answer keys and scoring guides with writing samples. These practical tests will help students prepare for the types of questions they will be asked on actual tests.
