**Mergent International Manual**, 2001      *Marketing and Managing Tourism Destinations* Alastair M. Morrison, 2013-12-03

Marketing and Managing Tourism Destinations is a comprehensive and integrated textbook which uniquely considers both destination marketing and management in one volume. It focuses on how destination marketing is planned, implemented, and evaluated, as well as the management and operations of destination marketing and management organizations, how they conduct business, major opportunities, challenges, and issues they face to compete for the global leisure and business travel markets. This textbook provides students with a solid introduction to destination marketing strategy and planning, to organization and support planning, and then to operations, implementation, and evaluation, as well as major issues, challenges, and expected new directions for destination marketing management and Destination Management Organizations (DMOs). A unique systematic model to manage and market destinations. Core concepts are supported with well-integrated international case studies to show the practical realities of marketing and managing destinations, as well as the need to take a flexible and adaptive approach to managing different destinations around the world. To encourage reflection on main themes addressed and spur critical thinking, discussion questions and links to further reading are included in each chapter. This accessible yet rigorous text provides students with an in-depth overview of all the factors and issues which are important to consider to make a destination successful.
