## And Hope To Die:

*Hope to Die: The Christian Meaning of Death and the Resurrection of the Body* Scott Hahn,Emily Stimpson Chapman,2020-04-22 As Catholics we believe in the resurrection of the body We profess it in our creed We re taught that to bury and pray for the dead are corporal and spiritual works of mercy We honor the dead in our Liturgy through the Rite of Christian burial We do all of this and more because when Jesus Christ took on flesh for the salvation of our souls he also bestowed great dignity on our bodies In Hope to Die The Christian Meaning of Death and the Resurrection of the Body Scott Hahn explores the significance of death and burial from a Catholic perspective The promise of the bodily resurrection brings into focus the need for the dignified care of our bodies at the hour of death Unpacking both Scripture and Catholic teaching Hope to Die reminds us that we are destined for glorification on the last day Our bodies have been made by a God who loves us Even in death those bodies point to the mystery of our salvation

Waterworth,2003-12-16 Despite the familiarity of hope in human experience it is a phenomenon infrequently considered from a philosophical point of view This book charts the centrality of hope in thought and action from first second and third person perspectives From everyday situations to extreme circumstances of trial and endings in life the contours of hope are given a phenomenological description and subjected to conceptual analysis This consistently secular account of hope sheds a different light on questions of agency and meaning
