**Brewing Battles** Amy Mittelman, 2008 Brewing Battles is the comprehensive story of the American brewing industry and its leading figures from its colonial beginnings to the present. Although today's beer companies have their roots in pre Prohibition business historical developments since Repeal have affected industry at large brewers and the tastes and habits of beer drinking consumers as well. Brewing Battles explores the struggle of German immigrant brewers to establish themselves in America within the context of federal taxation and a growing temperance movement their losing battle against Prohibition their rebirth and transformation into a corporate
