

LIT PAPER 1: *ANIMAL FARM* QUESTIONS

As we've said, you will be given a CHOICE OF TWO QUESTIONS, but YOU MUST ONLY CHOOSE ONE.

Whichever question you choose, it's important to break the question down to make sure you know what it's asking, like we have done below:

You are reminded before starting the exam that you must use accurate SPaG in your response. This is also to encourage you to use a clear essay structure with an introduction, main body and a conclusion.

Looking at these questions, the first focuses on a theme and the second focuses on a setting. It's ultimately up to you which one to choose, but here we'd probably advise the first because it might allow us to explore more ideas.

•Your response will be marked for the range of appropriate vocabulary and sentence structures, and accurate use of spelling and punctuation.

The examiner will always use a quote from the novel to introduce the question to help you to think about the relevant quotes that you could use.

Again, they remind you that you must choose only ONE of the essay questions to answer.

•EITHER

15. *A bed merely means a place to sleep in.... The rule was against sheets, which are a human invention.*

Explore the significance of propaganda in *Animal Farm*.

You must refer to the context of the novel in your answer.

This means you're expected to evaluate how important you think the idea is to the novel or what you think is important about it by using as many examples as you can.

(Total for Question 15 = 40 marks
(includes 8 marks for the range of appropriate vocabulary and sentence structures, and accurate use of spelling and punctuation))

The theme that has been identified is here is propaganda, meaning you will focus on the misleading information that is used to promote a certain viewpoint. Whatever the theme though, it's important that ALL of your points are linked to it.

You are expected to discuss the suggested idea in a lot of detail.

OR

16. *Within a few weeks Snowball's plans for the windmill were fully worked out.*

In what ways is the windmill important in the novel?

You must refer to the context of the novel in your answer.

(Total for Question 16 = 40 marks
(includes 8 marks for the range appropriate vocabulary and sentence structures, and accurate use of spelling and punctuation))

Again, they're reminding you must refer to the relationship the novel has to the social, historical and biographical context of its author. This means you need context in every paragraph from the intro to the conclusion.
