*Animal Farm - Literature Kit Gr. 9-12* Chad Ibbotson, 2021-09-07 Experience the corruption of power and downfall of rebellion with this allegorical story of the Russian Revolution. This resource is great to use as a stand alone resource as well as a starting point for bigger activities. Predict whether old Major's words will inspire any action from the animals. Explain how life for the animals changed immediately following the rebellion. Answer multiple choice questions that reference life on the farm under the leadership of the pigs. Get into the minds of the animals who continue to confess in the face of executions to determine their motivations. Research the concepts of propaganda and historical revisionism and how they connect to Napoleon's actions in the novel. Discuss some of the instances of foreshadowing that can be found within the novel and how they influenced perceptions going forward. Aligned to your State Standards and written to Bloom's Taxonomy our worksheets incorporate a variety of scaffolding strategies along with additional crossword, word search, comprehension quiz and answer key. About the Novel: Animal Farm is an allegorical satire that recalls the Russian Revolution in which the unhappy animals of Manor Farm rise up against humanity. In Willingdon England Mr Jones runs the neglected Manor Farm. His animals are not happy with their living conditions. One night old Major calls on the other animals to overthrow the humans. He teaches them a revolutionary song called Beasts of England. When he dies conditions on the farm continue to deteriorate to the point where the animals decide to rise up. They chase the humans off the farm and rename it Animal Farm. Two pigs named Snowball and Napoleon take control and immediately adopt a set of seven commandments they call Animalism. The farm runs smoothly until bit by bit these commandments are broken by the pigs. Through propaganda the pigs continue to keep control over the farm even when the other animals start to question their actions. The story continues down a rabbit hole that inevitably shows the pigs are no different than the humans.

**Literacy and Learning in the Content Areas** Sharon Kane, 2017-07-05 The 3rd Edition of Literacy Learning in the Content Areas helps readers build the knowledge, motivation, tools and confidence they need as they integrate literacy into their middle and high school content area classrooms. Its unique approach to teaching content area literacy actively engages preservice and practicing teachers in reading and writing and the very activities that they will use to teach literacy to their own students in middle and high school classrooms. Rather than passively learning about strategies for incorporating content area literacy activities, readers get hands on experience in such techniques as mapping, webbing, anticipation guides, booktalks, class websites and journal writing and reflection. Readers also learn how to integrate children's and young adult literature, primary sources, biographies, essays, poetry and online content communities and websites into their classrooms.

Each chapter offers concrete teaching examples and practical suggestions to help make literacy relevant to students content area learning Author Sharon Kane demonstrates how relevant reading writing speaking listening and visual learning activities can improve learning in content area subjects and at the same time help readers meet national content knowledge standards and benchmarks *Resources in Education*, 1986 Serves as an index to Eric reports microform
