Annual Financial Page Report Search Trhe:

The Information Specialist's Guide to Searching and Researching on the Internet and the World Wide Web

Ernest Ackermann, Karen Hartman, 2014-06-11 Written by a professor of computer science and a reference librarian this guide covers basic browser usage e mail and discussion groups discusses such Internet staples as FTP and Usenet newsgroups presents and compares numerous search engines and includes models for acquiring evaluating and citing resources within the context of a research project The emphasis of the book is on learning how to create search strategies and search expressions how to evaluate information critically and how to cite resources All of these skills are presented as within the context of step by step activities designed to teach basic Internet research skills to the beginner and to hone the skills of the seasoned practitioner

Public Relations Writing James Mahoney, 2025-03-31 Public Relations Writing is an undergraduate communication and public relations textbook It positions writing for public relations in the context of strategic planning and is based on traditional communication writing principles including for news and digital media The book illustrates how writing for all public relations tools reflects the concepts that inform professional planning and practice This book based on the author s wide professional practice and tertiary teaching experiences has been widely used in international undergraduate teaching and learning This fourth edition continues to treat clear concise and accurate writing for this profession as integral to all aspects of professional practice and as a skill that is not confined to media release writing Among the book s strengths are the student exercises including international cases which are based on real world examples and references to ethical practice This book provides a holistic approach to learning about writing in this profession While its focus is on writing this holistic approach which includes material on planning a communication strategy makes it an ideal text for introductory subjects at university as well as for specialist writing units While it is primarily grounded in Australian practice the book is written in line with accepted international approaches to public relations writing including the principles of journalism s news writing and contains case studies from other countries This book appeals to audiences in early year university students studying public relations and marketing communication It is also suitable for professional practitioners seeking to enhance their writing skills
