Sullivan, Phillip J. Decker, 2001 Information technology has become an increasingly important part of counselling and psychotherapy. This text, with contributions from internationally leading figures, provides an up to the minute, precise and practical guide to the different ways in which technology can be used in therapeutic work, including e-mail and Internet relay chat, telephone video link and stand alone software packages. As well as discussing vital ethical, theoretical and practical considerations for practitioners, the authors look at the likely impact of these technologies on therapeutic relationships and the outcomes that can be expected. Technology's impact is explored from the perspectives of both therapists and clients, including individual therapy, groups, supervision and training, and supported by extensive case studies. *Leading and*

Managing in Nursing Patricia S. Yoder-Wise, Pat S. Yoder Wise, 2003 Elsevier's 1 nursing management text. *Leading and Managing in Nursing* 4th Edition offers an innovative approach by merging theory, research and practical application in key leadership and management areas. It is organized around issues that are central to the success of professional nurses in today's constantly changing healthcare environment, including consumer relationships, cultural diversity and communication. This 4th edition is thoroughly updated and revised to better prepare students for the nursing leadership and management issues of today and tomorrow. *Catalog of Copyright Entries.
