This special 2015 anniversary edition has been fully updated to include Strategic directions of the association as it prepares for the Commonwealth Heads of Government Meeting and Commonwealth People's Forum 2015 in Malta. Programmes and partnerships adding global value in the areas of politics, democracy and rights, rule of law, gender equality, youth empowerment, governance and natural resources, health and education, economics and trade and resilience in small and vulnerable states. Moments of Commonwealth history recorded by historians and Secretariat insiders of the time. A guide to the essential Commonwealth communiqués and declarations including those from the 2013 Heads of Government meeting in Sri Lanka and Commonwealth Charter. Comprehensive profiles of 53 member countries including overseas territories. An extensive statistics and reference section and the official directory of Commonwealth professional, cultural and civil society development agencies.

*Mathematics Instruction: Goals, Tasks And Activities - Yearbook 2018*, Association Of Mathematics Educators. Pee Choon Toh, Boon Liang Chua, 2018-05-21 The book, the tenth volume in the series of yearbooks by the Association of Mathematics Educators in Singapore, comprises 14 chapters written by renowned researchers in mathematics education. The chapters offer mathematics teachers a cache of teaching ideas and resources for classroom instruction. Readers will find various task design principles, examples of mathematical tasks used in classrooms and teaching approaches to implement the tasks. Through these discussions, readers are invited to reflect and rethink their beliefs about mathematics teaching and learning in the 21st century and reexamine the tasks and activities that they use in the classroom in order to bring about positive impact on students' learning of mathematics. This book contributes towards literature in the field of mathematics education, specifically on mathematics instruction and the design of mathematical tasks and activities.
