What Reviewers Are Saying The authors thorough coverage of this material in an organized format is exactly why I chose this text over others Janice G Wells Ph D Winthrop University The readability of all these chapters is very good for either graduate or undergraduate level This is certainly one of the most important overall strong points of the text Daniel Liechty Ph D Dmin ACSW LCSW Illinois State University An Introduction to Group Work Practice is very comprehensive and well researched It has the rigor that I would expect in a substantial treatment of this subject but the

accessibility to the beginning student It s very informative Matthew R Buckley Ed D Delta State University I believe the text includes virtually everything that should be included in a beginning group work textbook Its completeness is a great strength Kendra J Garrett DSW University of St Thomas Students study smarter not harder with these grade boosting supplements from Allyn Bacon Instructors give your students the extraordinary benefits of these study aids by ordering them packaged with this Allyn Bacon text Contact your Allyn Bacon representative for ordering information Allyn Bacon s Career Center offers registered students eight 30 minute sessions with a career specialist This 25 00 retail value is FREE when packaged with any Social Work textbook For more information visit www.ablongman.com/careercenter Title of related interest from Allyn Bacon Toseland Rivas Student Workbook 5 e ISBN 0 205 42995 5 [An Introduction To Applying Social Work Theories And Methods](#) Teater, Barbra,2014-03-01 A student friendly introduction to social work theories and methods drawing on current social work research [An Introduction to Applying Social Work Theories and Methods 3e](#) Barbra Teater,2019-12-02 The text is a comprehensive guide to the most commonly used theories and methods in social work practice The introductory chapter covers the similarities and differences between a theory and a method as well as psychosocial theories and concepts Each subsequent chapter then explores in detail how to implement theories and methods their strengths and limitations alongside case examples critical thinking questions and suggested further resources Key features Illustrative case studies Exercises Case examples Critical thinking questions Further readings resources Revised content including the addition of genograms and ecomaps This is a practical and essential guide for all social work students practitioners and practice educators who are working with students in field placements The book is an updated third edition to a successful and established series The clarity with which Teater describes complex concepts for social workers is refreshing This book will help promote understanding and best practice whilst being firmly grounded in key theories It is a must have for all social workers wherever they practise Dr Jonathan Parker Professor of Society Social Welfare Bournemouth University UK This latest edition of Theories and Methods is as solid as its predecessors academically with a clear and easy to follow structure that makes it accessible in a way many such books are not I have used previous editions in many situations settings and levels and endorse this latest as a must have for anyone involved with social work Explanation is clear and the use of tables diagrams and cases bring the theory alive and enable users to realistically transfer theory to practice The use of exercise and questions provide a springboard to deeper learning as do the handy references and pointers to further reading at the end of each chapter Inclusion of sections such as the cultural and ethical considerations lend themselves to self analysis exploration and ultimately self development A dream of a book to work with as an academic tutor practice educator and trainer as well as student Michele Winter Independent Social Worker Teacher Trainer Social Care Training I can wholeheartedly recommend this revised and updated edition of Barbra Teater s highly successful book It remains essential reading for practitioners undergraduate and postgraduate students of social work The book provides a

compelling and easily accessible analysis of key theories and methods It challenges both students and practitioners to consider and reconsider how they can apply theories and methods to practice more effectively Prof Hugh McLaughlin Manchester Metropolitan University UK What a great book Barbra Teater and colleagues have managed to bring together a wealth of learning about different theories and methods of social work intervention in a clearly written and accessible format Each chapter is focused on the application of theory to practice and as such helps to act as a bridge from the classroom to direct work with individuals families and groups This new and updated edition is very likely to be one of those books that students have by their side throughout their studies and bring with them into professional practice after graduation Dr John Devaney Centenary Professor of Social Work University of Edinburgh UK *An Introduction to Group Work Practice: Pearson New International Edition* Ronald W.
