An Introduction To Roman Catholicism:

An Introduction to Roman Catholicism Enrique Fiesta, John Davidson, 2015-01-11 An Introduction to Roman Catholicism Table of Contents Introduction Essentials Chapter 1 The Creed Chapter 2 Sacraments Chapter 3 Catholic Traditions Conclusion Glossary of Terms Author Bio Publisher Introduction The purpose of this text is to present and defend the fundamental beliefs of the Roman Catholic faith from a Catholic perspective with an inviting and surprisingly affordable format Many people harbor gross misunderstandings of the Catholic religion due to misinformation and more likely than not a total misunderstanding of Catholic institutions and practices How and why an institution that has had as dramatic a role in the development of western civilization as the Catholic Church has come to be so entirely misunderstood and mischaracterized by non Catholics is beyond the scope of this text My hope is that this text dispels insubstantial notions held about the Catholic faith and replaces them with the factual information This text is a necessary corrective because it is difficult to articulate the motions and practices of faith to others especially if the others are aggressive and non receptive which is often the tone during interreligious dialogue Faith is often an organic and fluid motion on the part of the faithful Faith is a lived experience hence the phrase the life of faith The core beliefs of the Catholic faith are presented here in a manner accessible to Christians and non Christians alike I hope you approach this book with a spirit of open mindedness and a desire to learn It is my earnest desire that this book either deepens your faith and your understanding of the Catholic religion The Catholic faith has two sources of authority Sacred Tradition and Sacred Scripture The Catholic Church in order to present its teachings in an approachable format has published a Catechism Consult the Catechism of the Catholic Church if you desire to explore anything presented in this book to a greater degree I intend to cite the Bible to provide an authoritative basis for the claims I make in this book The citations also allow the reader to research the claims for himself The Bible will be cited by book chapter and verse The Bible edition used in this text is The New American Bible *Old Roman Catholicism* Professor of English Literature William Myers, William Myers, 2013-06-01 The Old Roman Catholic Church is rich in history and maintains a traditional faith with pastoral understanding This book is an introduction to the faith as well as the people who helped to shape it throughout history **Roman Catholicism** Denise Lardner Carmody, John Carmody, 1990 *Catholicism: A Very Short Introduction* Gerald O'Collins, 2008-11-27 Despite a long history of external threats and internal strife the Roman Catholic Church and the broader reality of Catholicism remain a vast and valuable presence into the third millennium of world history What are the origins of the Catholic Church How has Catholicism changed and adapted to such vast and diverse cultural influences over the centuries What great challenges does the Catholic Church now face in the twenty first century both within its own life and in its relation to others around the world In this Very Short Introduction Gerald O Collins draws on the best current scholarship available to answer these questions and to present in clear and accessible language a fresh introduction to the largest and oldest institution in the world ABOUT THE SERIES

The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

The Catholic Faith Lawrence Cunningham, 1987. Surveys the fundamental teachings of the Catholic Church, discusses the church's modern influence, and describes what it means to be a Catholic.

This is Our Faith Thomas P. Rausch, 2014. A concise introductory outline of the Catholic faith based on the Apostles' Creed and including more recent developments since the Second Vatican Council and the challenges of a global church.

Catholicism Today Emyatar Marienberg, 2014-08-07. Catholics are not Christians. They worship Mary. They do whatever the pope says. They cannot divorce. They eat fish on Fridays. These flawed but common statements reflect a combined ignorance of and fascination with Catholicism and the Catholic Church.

Catholicism Today: An Introduction to the Contemporary Catholic Church aims to familiarize its readers with contemporary Catholicism. The book is designed to address common misconceptions and frequently asked questions regarding the Church, its teachings, and the lived experience of Catholics in modern societies worldwide. Opening with a concise historical overview of Christianity in general and Catholicism in particular, the text explores the core beliefs and rituals that define Catholicism in practice, the organization of the Church, and the Catholic calendar, as well as the broad question of what it means to be Catholic in a variety of cultural contexts. The book ends with a discussion of the challenges facing the Church both now and in the coming decades. Also included are two short appendices on Eastern Catholicism and Catholicism in the United States.

The Light of Christ Thomas Joseph White, 2017-09-14. This introduction to Catholicism combines scholarly depth with an engaging style to present the what and why of Catholic belief with exceptional clarity.

Charles J. Chaput, OFM, Cap, Archbishop of Philadelphia. In *The Light of Christ*, Fr. Thomas Joseph White provides an accessible presentation of Catholic doctrine that is both grounded in traditional theology and engaged with contemporary concerns. Inspired by the theologies of Irenaeus, Thomas Aquinas, and John Henry Newman, Father White covers the major doctrines of the Christian religion, including knowledge of God, the mystery of the Trinity, the incarnation, and the atonement, the sacraments, and the moral life, eschatology, and prayer. *The Light of Christ* also addresses topics such as evolution, the modern historical study of Jesus, and the Bible, and objections to Catholic moral teaching. Authoritative yet accessible, this book serves as an excellent introduction for general readers or as a helpful text for theology courses in a university context. This is a book that offers itself as a companion. My goal is to make explicit in a few broad strokes the shape of Catholicism. I hope to outline its inherent intelligibility or form as a mystery that is at once visible and invisible, ancient and contemporary, mystical and reasonable.

Father White from the Introduction.

A History of the Roman Catholic Church in the United States Thomas O'Gorman, 1895.

Catholicism in Social and Historical Contexts Curt Cadorette, 2009. Designed for undergraduate use, *Catholicism in Social and Historical Contexts* is replete with details and revelatory stories that trace the evolution of

Cunningham,2009-02-16 The Vatican The Inquisition Contraception Celibacy Apparitions and miracles Plots and scandals The Catholic Church is seldom out of the news But what do its one billion adherents really believe and how do they put their beliefs into practice in worship the family and society This down to earth account goes back to the early Christian creeds to uncover the roots of modern Catholic thinking It avoids getting bogged down in theological technicalities and throws light on aspects of the Church s institutional structure and liturgical practice that even Catholics can find baffling why go to confession How are people made saints What is infallible about the Pope Topics addressed include scripture and tradition sacraments and prayer popular piety personal and social morality reform mission and interreligious dialogue Lawrence Cunningham a theologian prize winning writer and university teacher provides an overview of Catholicism today which will be indispensable for undergraduates and lay study groups CATHOLIC But Not Roman ORTHODOX But Not Eastern R. Owles,2013-09-08 What If There Were Another Valid Catholic Church What If That Other Catholic Church Was More In Line With What You Believe What if there were a valid Catholic Church that allowed priests to marry where divorce was not treated like an unforgiveable sin where birth control and contraception were regarded as a personal decision and a matter of individual conscience where divorced and remarried individuals were still allowed access to the Sacraments where EVERY baptized individual were welcomed to receive the Eucharist a Catholic Church that was open and affirming where women were ordained as deacons priests and bishops and where you were welcomed just as you are regardless of who you are What if such a Catholic Church existed Would you be interested Would you like to know more about it Most American Catholics Believe That Priest should marry Birth Control is a personal decision Divorce is NOT an unforgiveable sin Women should be ordained They deserve a Catholic Church that believes these things too Such a Catholic Church Does Indeed Exist It is The Old Catholic Church The Old Catholic Church has maintained valid Apostolic Succession administers valid Sacraments and is guided by Holy Tradition and Holy Scripture a church that is not Protestant or a break away church but is ONE HUNDRED PERCENT CATHOLIC in its tradition practice and theology Even The Roman Catholic Church Admits That The Old Catholic Church Is Valid The Roman Catholic Church agrees that the ministry and Sacraments of The Old Catholic Church are valid The Old Catholic Church has maintained valid Apostolic Succession and uses Roman liturgy In fact The Roman Catholic Church and The Old Catholic Church are nearly identical in much of their tradition worship and doctrine There are only two doctrinal differences that separate them Every American Catholic Needs To Learn About The Old Catholic Church Father R
