Audit and Assurance, 2nd Edition Philomena Leung, Paul Coram, Barry Cooper, Kirsty Redgen, Dominic Canestrari-Soh, 2024-02-12 Written for the local market the second edition of Audit and Assurance features a concise and contemporary presentation of auditing This new edition has a major focus on both technology and applied learning using lots of examples to ensure students will be able to do more than rote auditing and instead understand why processes are the way they are so that they can be more flexible The new edition welcomes two new industry experts to the author team Dominic Canestrati Soh who is a Senior Manager at Ernst Young and Kirsty Meredith who is an academic at USC with 7 years industry experience as a Chartered Accountant specialising in audit and taxation The text has been updated with new content on data analytics technology insights and interviews with auditing practitioners as well as Excel screencasts and primers

Accounting: Chapters 12-18 Charles T. Horngren, Walter T. Harrison, Jr., W. Morley Lemon, 2001 The Demo Docs System of instruction replicates the classroom experience by providing more I get it moments outside of class We've talked to tons of POA instructors and our editors have even taken the accounting course numerous times to figure out the following issue in this course that is consistent Students understand or get it right after you do a problem in class but as soon as they leave class with each passing hour their ability to do the problems again and complete their homework diminishes to the point of them either having to come to office hours to get help or they just quit and get behind in the course On top of this you can end up getting behind in the course as well in order to keep everyone on track The Demo Docs system helps to recreate the I get it moments outside of class keeping both you and the students on track

POLICE AUDITING: Standards and Applications (2nd Ed.) Jiao, Allan Y., 2015-06-30 Police auditing merits the attention of both practitioners and academicians for two primary reasons First police auditing meets the need of police administrators to know about the economy efficiency and effectiveness of their organization and operations Second it provides an important mechanism for the public and its elected officials to fulfill their oversight responsibilities This book provides a comprehensive examination of theories standards procedures applications and evaluations of police audits to allow the reader to obtain a detailed understanding of different aspects and types of police audits and apply the principles of auditing and data collection to various police programs The book is readable for different audiences as it provides a review of police auditing along with discussions of planned change and incorporates standards and procedures in police auditing into social scientific research process and methods The book is aimed at three types of readers First it provides police executives and managers with a timely and necessary understanding of police auditing as they conduct budget reviews and organizational diagnoses Second it serves as a valuable source of information for auditors and researchers who are either charged with the responsibility to perform police audits directly or engaged in evaluating audited police programs Third students in criminal justice programs will benefit from this book in courses that address research methods and police accountability issues
