These questions pertain only to the members of this particular congressional House. Within each House, however, there are many subcommittees responsible for the general interests of their constituents. Please answer carefully based on specific interests.

While you can answer the specific questions for the specific congressional or state legislative committee below, congressional passage may not consist of a majority of your state's elected members (other members may be present, but they are not voting).

Once these are, please note the names and addresses of:

Project manager (responsible for the project): Please name your former military guru (the one holding the briefcase):

Advisors (all the important ones):

Key individuals on the field teams:

Who else you worked for (or consulted with) on this project:

Other congressional committees you worked on or consulted with (including the chamber):

These findings of resistance to growth in *Escherichia coli* and other bacteria against *Salmonella* and *Escherichia coli* suggest that very different effects can be produced using different *Escherichia coli* strains and *Escherichia coli* strains of the same serotype. There is therefore a need for a more detailed study of the resistance of different strains of *Escherichia coli* to *Salmonella*.
