Video Sessions:

- Session 1: Learning to Speak Love (34-48 People speak different love languages and seldom do a husband and wife have the same primary emotional love language. You must be willing to learn your spouse's primary love language if you are to be an effective communicator of love.) This session covers a brief overview of the five love languages, takes the five love languages profile, and discovers how to use the profile.
- Session 2: Words of Affirmation (14-47 Verbal compliments are powerful communicators of love. Learn how to speak words of affirmation, encouragement, kindness, and humbleness to the person whose love language is words of affirmation.)
- Session 3: Quality Time (18-54 Quality time means giving someone your undivided attention and a central aspect of quality time is togetherness. - Session 4: Acts of Service (14-47 Acts of service are powerful communicators of love. Learn how to perform acts of service for your spouse, such as doing chores, preparing meals, or helping with work projects.)

Receiving Gifts 18 24 Gifts are visual symbols of love To the person whose primary love language is receiving gifts the cost of the gift will matter little The worth of the gift has little to do with monetary value and everything to do with love Session 5 Acts of Service 12 10 Doing simple chores around the house can be an undeniable expression of love It requires thought planning time effort and energy If done with an positive spirit they are indeed expressions of love Session 6 Physical Touch 18 18 Physical touch is a powerful vehicle for communicating marital love and for some individuals physical touch is their primary love language Without it they feel unloved With it their emotional tank is filled and they feel secure in the love of their spouse Session 7 Growing in Love 36 24 We ve been led to believe that if we are really in love it will last forever But true love cannot begin until the in love experience has run its course If we learn to meet each other s deep emotional need to feel loved and choose to do so then the love we share will be exciting beyond anything we ever felt when we were infatuated
