

# Elements of Fiction

All fiction stories have the same basic elements.

## Plot

The plot refers to the events that take place in the story. Most events in a fictional story follow the story mountain.

## Setting

The setting is where the story takes place. It helps the reader picture where the characters live and the location of the events.

## Characters

The characters are the people in the story. There is usually a good character and a bad character in each story.

## Conflict

All good fictional stories have a conflict. Usually it is a problem between two of the characters.

## Theme

The theme is the overarching message or lesson the author is trying to teach the characters and the reader. It is usually a big idea.
