Guided Math Workstations 6-8 Laney Sammons, Donna Boucher, 2017-08-01 This invaluable professional resource instructs teachers on how to successfully implement Guided Math Workstations into grades 6-8 classrooms. With detailed instructions that are easily adopted into today's classrooms, this book contains everything teachers need to set up, plan, and manage workstations. Guided Math Workstations allow teachers to address their students' varied learning needs within a carefully planned numeracy-rich environment where students are challenged to not just do math but to become mathematicians. Teachers will be able to successfully target the specific needs of learners with small group lessons as students work independently on math workstation tasks. Each workstation task includes an overview of the lesson materials, objective, procedure, and differentiation tactics; a Student Task card with directions and a materials list for the task to help with implementation and organization; a Talking Points card with math vocabulary words and sentence stems to encourage mathematical discourse; and additional resources for each task.

Math for College and Career Readiness, Grade 8 Christine Henderson, Karise Mace, Stephen Fowler, 2016-01-04 Help students identify and apply the real-world math skills they need for lifelong success. Math for College and Career Readiness provides grade-appropriate practice that offers early preparation for a variety of career paths. For each career, your students will strengthen fundamental math skills while gaining background information and becoming proficient problem solvers. Mark Twain Media Publishing Company specializes in providing engaging supplemental books and decorative resources to complement middle and upper-grade classrooms. Designed by leading educators, this product line covers a range of subjects including math, science, language arts, social studies, history, government, fine arts, and character.

Math Games: Skill-Based Practice for Sixth Grade Ted H. Hull, Ruth Harbin Miles, 2014-01-01 Bring learning mathematical skills into a whole new light for students in 6th grade. This book provides fun and unique skill-based games that encourage whole-group, whole-class, small-group, and partner interaction and collaboration. These activities will reinforce students' knowledge of mathematical skills while keeping learners motivated and engaged. Promote a fun learning environment for students to achieve mathematical success.

The Empowered Girl's 9 Life Lessons Kate Whitfield, 2008-08 From the Introduction: This book is filled with over 1001 tips. Yup, I counted that you can start using today everything from getting real honest to goodness, body-loving confidence to being a star at school, finding your dream career, decoding guys, having rockin' friendships, becoming a global citizen, and doing your part to change your world and the world around you. This book is about action and results that you can start to see right away because why wait any longer? When I was in high school, I wanted steps, a formula for success stuff I could do to get closer to what I wanted right now. I wanted the inside scoop, I wanted to know stuff that I wasn't being told. I wanted a wise friend or super-cool older sister to guide me through it. I hope this book is all that and then some for you. The Empowered Girl's 9 Life Lessons: Keys, Tips, Strategies, Advice.
