The Queen's Maries George John Whyte-Melville, 1892 **Post-colonial Translation** Susan Bassnett, Harish Trivedi, 1999 The book should be of use to those working in translation studies and comparative literature Tacitus, Annals, 15.20-23, 33-45 Mathew Owen, Ingo Gildenhard, 2013-09-23 e emperor Nero is etched into the Western imagination as one of ancient Rome's most infamous villains and Tacitus Annals have played a central role in shaping the mainstream historiographical understanding of this flamboyant autocrat This section of the text plunges us straight into the moral cesspool that Rome had apparently become in the later years of Nero's reign chronicling the emperor's fledgling stage career including his plans for a grand tour of Greece his participation in a city wide orgy climaxing in his publicly consummated marriage to his toy boy Pythagoras the great fire of AD 64 during which large parts of central Rome went up in flames and the rising of Nero's grotesque new palace the so called Golden House from the ashes of the city This building project stoked the rumours that the emperor himself was behind the conflagration and Tacitus goes on to present us with Nero's gruesome efforts to quell these mutterings by scapegoating and executing members of an unpopular new cult then starting to spread through the Roman empire Christianity All this contrasts starkly with four chapters focusing on one of Nero's most principled opponents the Stoic senator Thrasea Paetus an audacious figure of moral fibre who courageously refuses to bend to the forces of imperial corruption and hypocrisy This course book offers a portion of the original Latin text study aids with vocabulary and a commentary Designed to stretch and stimulate readers Owen's and Gildenhard's incisive commentary will be of particular interest to students of Latin at both A2 and undergraduate level It extends beyond detailed linguistic analysis and historical background to encourage critical engagement with Tacitus prose and discussion of the most recent scholarly thought Catalogue of the Brooklyn Library Brooklyn Public Library, 1877 **A-C, pages 1-400** Brooklyn Library, 1877
