

A hand is holding a white rectangular sign in the foreground. The sign has the text "WE'RE HIRING" in a bold, sans-serif font. The word "WE'RE" is in a light grey color, and the word "HIRING" is in a darker grey color. The background is a blurred office environment with several people working at desks. The lighting is bright and even.

**WE'RE
HIRING**

Local labour market analysis Great Britain: National Audit Office, 2007-11-14 This NAO report considers the patterns of work and worklessness in the United Kingdom with an analysis on national regional and local level The report sets out a number of findings including that competition for vacancies is greater in some regions and local areas than others the workless population have significantly lower qualifications than the work in population and in their last job were more likely to have worked in lower skilled jobs that the economically inactive have characteristics that are further removed from the employed than those of the unemployed the relationship between qualifications jobs and worklessness is not simple disability has an impact on working and worklessness black and minority ethnic groups have a lower employment rate however the degree of the employment

gap varies between areas Jobsearch methods of the workless differ substantially from the methods reported as successful by those in work Jobcentre use varies by region sector qualification level and ethnicity local area analysis shows significant differences within and between locations

Youth policy in Ukraine Ewa Krzaklewska, Howard Williamson, Council of Europe, 2014-01-01 Ukraine is the 19th country overall and the third of the Commonwealth of independent States following Armenia and Moldova to have its youth policy reviewed by the Council of Europe's international review team Ukraine presented a range of new challenges it was by far the largest country geographically and it embodied geo political characteristics from North to South and East to West that are reflected in its philosophy and approach to youth policy development This international review explores three issues of particular interest to the Ukrainian authorities health and healthy lifestyles employment and employability and patriotic education and citizenship in addition the international review pays special attention to questions of youth participation and engagement and to those groups of vulnerable young people who are at most risk of social exclusion The review argues for the establishment of a more open development model for youth policy in Ukraine supported by a clear strategic vision and the strengthening of its commitment to local capacity and autonomy in shaping relevant programmes and projects in particular it also advocates the promotion of more diverse methodologies in the implementation of youth policy based on non formal learning and skills development principles
