Bellini, 2022-04-07 The title of the book The X Manual is taken from the word exousia from the subtitle It is the Greek word for authority The word is used throughout the New Testament For our purposes it is used to express the divine authority or right to cast out demons I have given you authority exousia to trample on snakes and scorpions and to overcome all the power of the enemy nothing will harm you Luke 10:19 NIV Jesus gives believers authority to cast out demons This book is about spiritual authority over evil The X Manual is a practical how to handbook for clergy and laity on deliverance and exorcism One reason I wrote the book is because so few understand and/or operate effectively in deliverance ministry Nowhere is the church more inadequate or excessive than in deliverance ministry The X Manual contains specific time tested biblical instructions on selecting and training a deliverance team pre deliverance work the deliverance session post deliverance work and other useful tools like the C13 instrument that helps determine if one needs deliverance Deliverance is essential to the church's New Testament healing and evangelism ministry It is time for the church to walk in the authority and power that Christ gave us to set the captives free

*Prayer Counselor* Devay Myatt, 2009-12 Order is more important than intentions Even in the face of the greatest intentions chaos will impede any progress The Prayer Counselor is essential in providing appropriate guidance to God's

people towards restoration at his altars I am a Surgeon by trade The operating suite must be orchestrated appropriately for the patient to have an expected outcome The patients have already demonstrated submission by allowing themselves to be wheeled into the operating room After submission there must be precise execution by all members of the operating team The altar visitors have submitted themselves to an even greater degree by their public display of approaching the altar As a surgeon I accept the lead role in the surgical suite but everyone involved in the care of the patient must be in the right place at the right time for the patient to have the expected outcome While at the altar the leader of the altar call must be allowed to flow in the perfect will of God without being distracted by tasks that should be delegated to others The Prayer Counselor will assist the Men and Women of God in providing the appropriate atmosphere that will bring God's people into his perfect will Dr Roderick Claybrooks Devay Myatt Ministries P O Box 702426 Plymouth Michigan 48170 Phone 313 770 7143 Fax 313 934 3838 *The Person and Work of The Holy Ghost* William Henry Hutchings, 1884 **The Do's And Don'ts Of Altar**
