The Academy, 1898 **Connie Willis's Science Fiction** Carissa Turner Smith, 2022-10-31 In spite of Connie Willis s numerous science fiction awards and her groundbreaking history as a woman in the field there is a surprising dearth of critical publication surrounding her work Taking Doomsday Book as its cue this collection argues that Connie Willis s most famous novel along with the rest of her oeuvre performs science fiction s task of cognitive estrangement by highlighting our human inability to read the times correctly and yet also affirming the ethical imperative to attempt to truly observe and record our temporal location Willis s fiction emphasizes that doomsdays happen every day and they risk being forgotten by some even as their trauma repeats for others However disasters also have the potential to upend accepted knowledge and transform the social order for the better and this collection considers the ways that Willis pairs comic and tragic modes to reflect these uncertainties

The Spoken Books Uprising Box Set 1 D. T. Kane, 2022-11-24 Reading Books can get you killed The series that reviewers have called Sanderson esque and Genius For the first time ever get the first three parts of this new epic fantasy series in one place In addition to three novels the box set includes two never before seen essays by the author about his inspiration for the series and also artwork depicting each of the three main characters A free preview of Part IV is also included Part I The Acktus Trials In the land of Oration magic is cast by reading aloud words of power from Spoken Books Only a select few the Speakers are born with the ability to do so But after a disaster nearly destroyed Oration society grew to fear the Speakers power and they were hunted and enslaved never taught to read Now they live in oppression unable to use their magic unless a spell is first read aloud to them Each year young men and women from Oration s ruling Libraries compete in the Acktus Trials a journey that takes them through the wilds of Oration to the

ruined city of Tome Once Oration's capital it is now abandoned though the Great Library at its center still holds a wealth of Spoken Books As Speakers are no longer taught to read they also cannot write so new Spoken Books have not been created in hundreds of years The discovery of a new Book is a coveted prize for any young noble Baztian is a slave to one of Oration's poorer Libraries When he is selected to accompany his master on the Actkus Trials he thinks his life is over The wilds are treacherous his master incompetent and their fellow competitors set on winning whatever the means But Baz also has a secret one that could get him killed but one that also makes him the most valuable of assets during the Trials Baz can read and after he saves his master from certain death he strikes a deal his secret kept safe in exchange for aiding his master in completing the Trials But can Baz really help a young man who thinks of him as property And even if he can there is much he doesn't know like the evil that lies in wait beneath the ruins of Tome Part II Declaimer's Discovery Potential Spoilers Below Baz and his master are called upon to suppress an uprising among the slaves of Fortune Oration's wealthiest city But after an attack separates Baz from the rest of his group he's unwittingly caught up in the very rebellion his master is trying to stop And as if things couldn't get any worse Baz discovers that the most powerful man in Erstwhile might know his secret A secret that could get him killed Surrounded by enemies and friends he doesn't trust can Baz survive and help the slaves of Fortune to freedom Part III Declaimer's Flight Potential Spoilers Below Baz and his friends are on the run allies at a premium as they search for the savior who will lead the slaves of Oration to freedom When no one believes that Baz knows who that savior is he finds his closest supporter is none other than his one time master a member of the ruling class against whom the rebels are fighting When Baz returns to where his adventure or is it a nightmare began his path finally becomes clear But even then there are forces working to betray him both external and in Baz's own head Once more he must face the dark terror beneath the ruined city of Tome while simultaneously battling the trauma he suffered in the dungeons of Leamina Library And that's all before the dragons show up Will Baz persevere and find Oration's savior **The Academy and Literature**, 1898

 Nineteenth-Century Bengal** Sunayani Bhattacharya,2023-07-13 How does a reader learn to read an unfamiliar genre The
 Novel in Nineteenth Century Bengal answers this question by looking at the readers of some of the first Bengali novelists
 including Bankimchandra Chattopadhyay and Mir Mosharraf Hossain Moving from the world of novels periodicals letters and
 reviews to that of colonial educational policies this book provides a rich literary history of the reading lives of some of the
 earliest novel readers in colonial India Sunayani Bhattacharya studies the ways in which Bengalis thought about reading how
 they approached the thorny question of influence and uncovers that they relied on classical Sanskrit and Perso Arabic literary
 and aesthetic models whose attendant traditions formed not a distant past but coexisted albeit contentiously with the
 everyday present Challenging dominant postcolonial scholarship The Novel in Nineteenth Century Bengal engages with the
 lived experience of colonial modernity as it traces the import of the Bengali reader's choices on her quotidian life and grants
 access to 19th century Bengal as a space in which the past is to be found enmeshed with the present **The Athenaeum**
